Dear Mary Alice,

Listen Kid, you've got everything it takes. Keep "on the ball" and don't ever let it get you down. You'll go places, but WHEN you get there, don't forget me. Good luck & best wishes.

J Baynes & Lacey Whitten
Phosphor Delta Phi Sigma.

Dearest Mary Alice,

Guy you'll never know how much I really love you. This is coming straight from the heart. You have so darn much personality that you're going to go places plenty fast and be right there on top. Honest Mary Alice you are simply darling.

Love,
Tommie L.

Dear Mary Alice,

You are really swell and I know you will stay that way. I hope we will become better friends in the next two years.

Sincerely,
Mary Frances

The end sheet of our book is a pattern made from the Seal of the United States and the symbol of the Reserve Officers' Training Corps of our own high school.

On the Seal of the United States the thirteen white and red stripes of the escutcheon on the eagle's breast represent the thirteen original states. The upper solid blue portion of the escutcheon represents Congress. The motto "E PLURIBUS UNUM" means one (union) out of many (states). The olive branch denotes peace and the arrows denote war. The meaning of the thirteen stars breaking through the clouds is that a new State is taking its place and rank.

The symbol of the R.O.T.C. Regiment of our Thomas Jefferson High School is a star-shaped crest, the star representing the Lone Star of Texas. On a background of blue is the sacred Alamo, red outlined in silver, the Alamo representing San Antonio. The red and blue colors stand for our school. The symbol thus stands for our State, our City of San Antonio, and our own school.

Dear Mary Alice,
I don't think you wanted me to write in this, but I am anyway. I think you are a cute gal and I hope we get along better next year

Dear Alice,
I hate to ~~right~~ write all the same things but they are really true. I hope that we can always be good friends and together in everything. We could look forward to being sisters and I'll know that I couldn't have a sweeter or nicer sister than you and I am really looking forward to it. Wishing you best of luck in everything that you start, and you certainly have started out well.

CELLO

Dedication

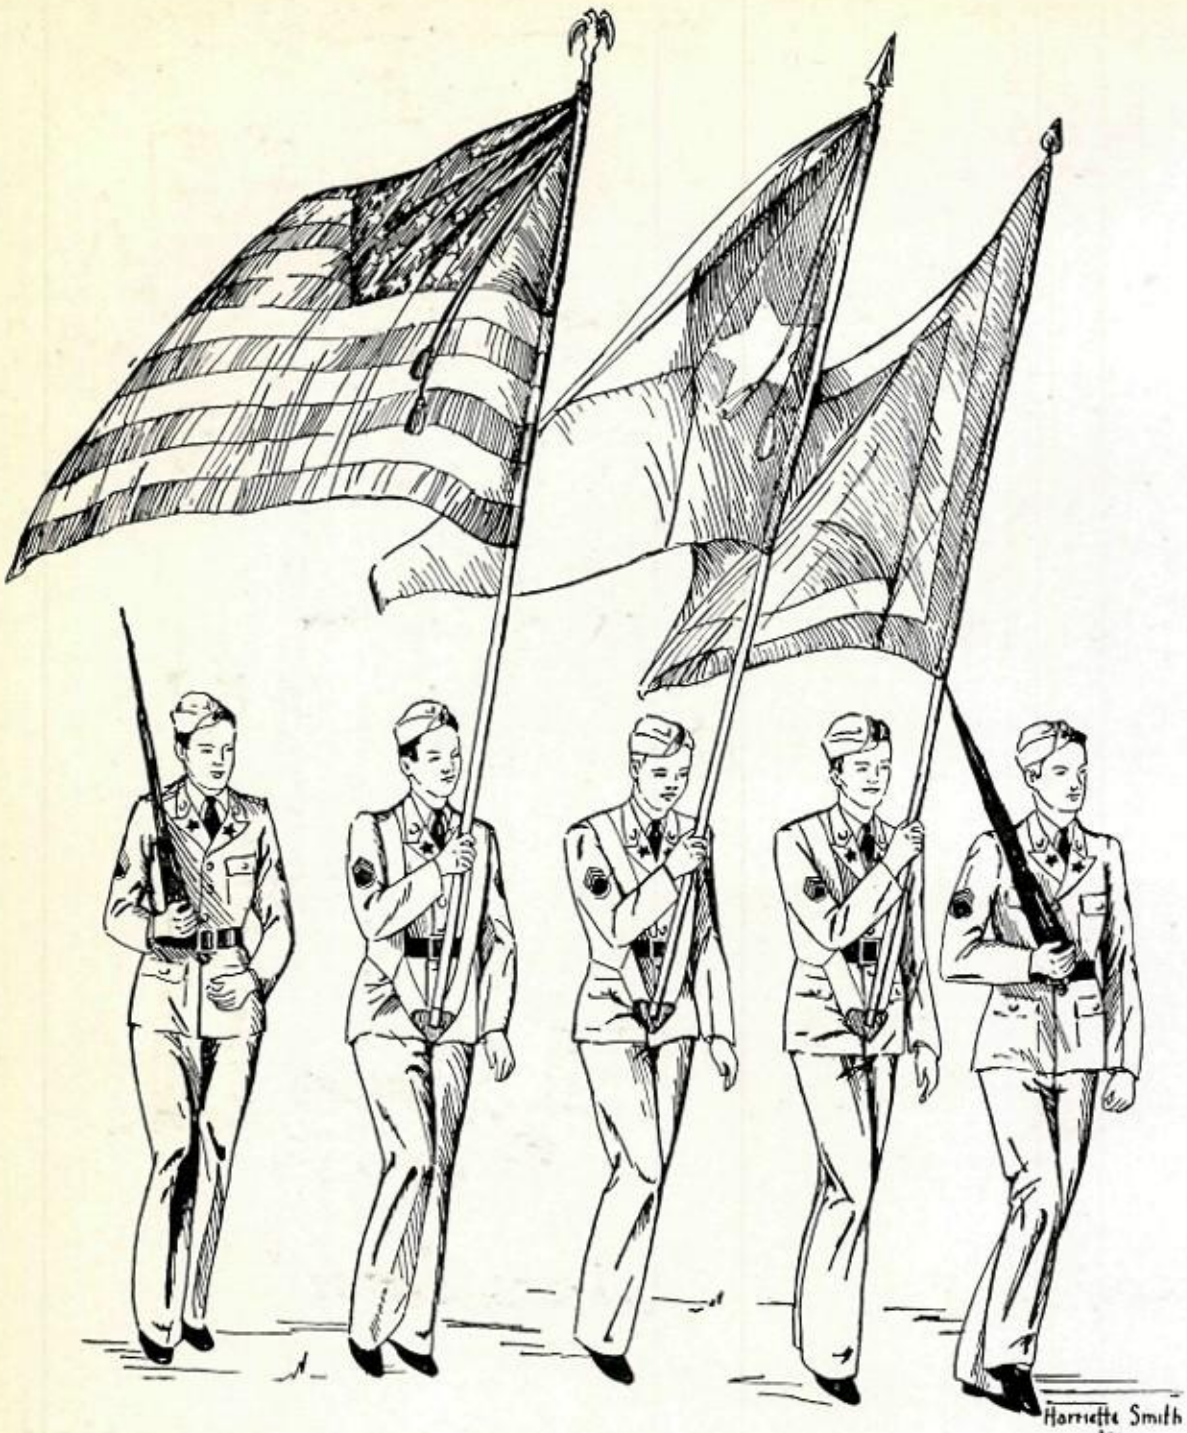
The Monticello of 1941 is reverently dedicated to that beautiful symbol of all we are and all we hope to be

The Flag of The United States

Students of Jefferson, you are the future defenders of our Flag. In your hands and the hands of millions of other young people is the America of tomorrow. May this beautiful patriotic edition of your Monticello instill into the hearts of all of you greater love for our beautiful star-spangled Old Glory, the Flag of Destiny. May it strengthen your reverence for your Country's Flag and for all that Flag means to this great free land of ours, "where the air is full of sunlight and the flag is full of stars." May it bring to you a fuller understanding and a greater appreciation of those glorious principles—courage, loyalty, justice, liberty, humanity—which have made your own United States second to no other nation. May it make you reverently grateful that in this time of world stress you are living under the protection of the Flag of the United States in the only nation on this earth where free people can still enjoy their freedom. ☆ ☆ ☆ Our forefathers, determined to maintain their liberty and their freedom against all odds, handed down to you a great Nation to live in and a great Flag to live under. From each of us should go up this fervent prayer,

"God Bless America and **Our Country's Flag"**

"So Proudly We Hail"



Within the heart of every red-blooded young American is a deep love for his country, an unswerving loyalty for his Flag, an undying faith in the ideals for which his forefathers gave their very lives, and a fervent desire to defend all for which our mighty Nation stands. ★ It is very fitting, then, that in this year of new impetus toward national defense, with your annual reverently dedicated to Old Glory, we have chosen to honor the Reserve Officers' Training Corps of our own school, where more than half a thousand Jefferson boys are now a vital part of this great new movement to defend our nation. Proud indeed these boys are to be so closely allied with the great United States Army, to which millions look for peace and security in today's world of chaos. As long as the fires of devotion burn on these youthful altars, there will always be an America. ★ ★ ★ ★ ★

Dear Mary Alice,
You've really got a grand personality, so make the most of it. Hope to see a lot of you next year, and especially in Tennessee and Dugout.
From one who thinks you're darling!
Love, Chris

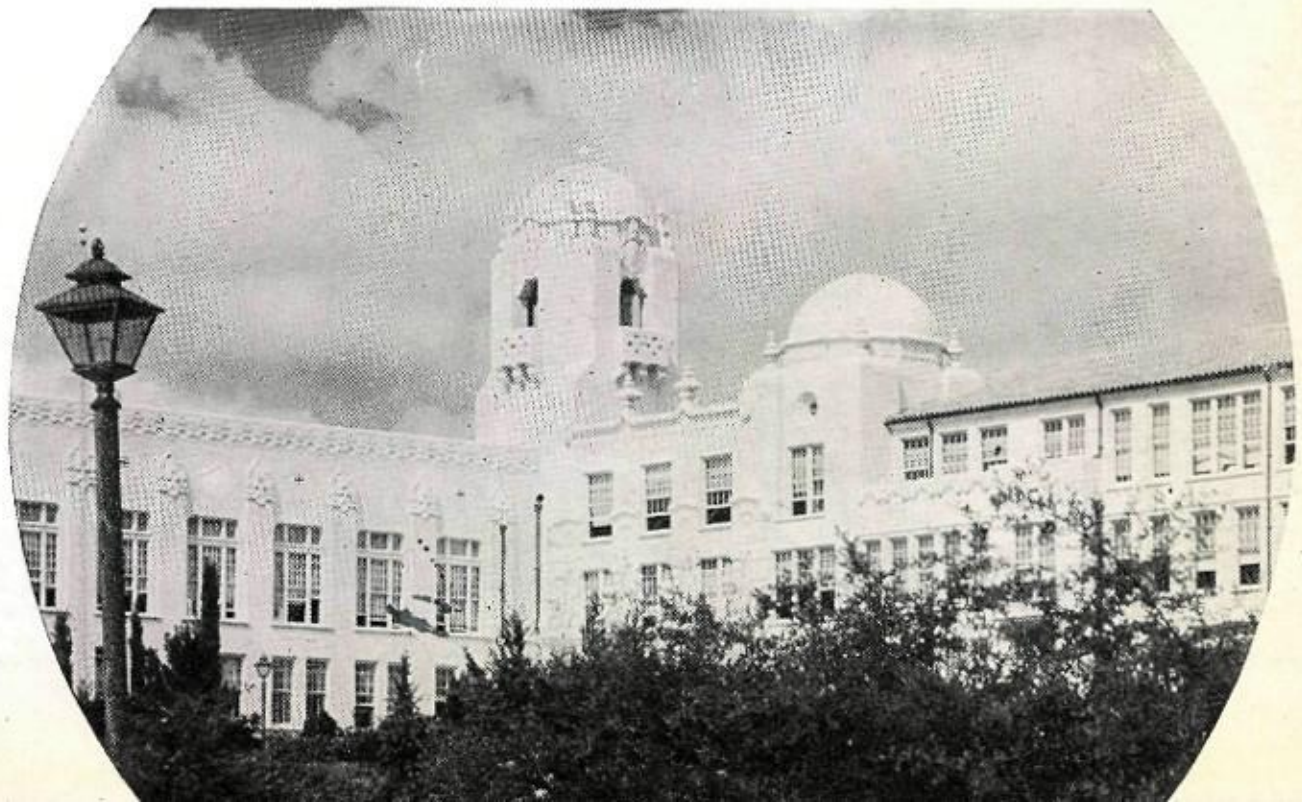
P.S. Pikes

Crystal waters, myriad hues of brilliant flowers, cool green of grass and shrubs, alabaster building—all these are a part of Skelton patio, a real beauty spot of San Antonio.



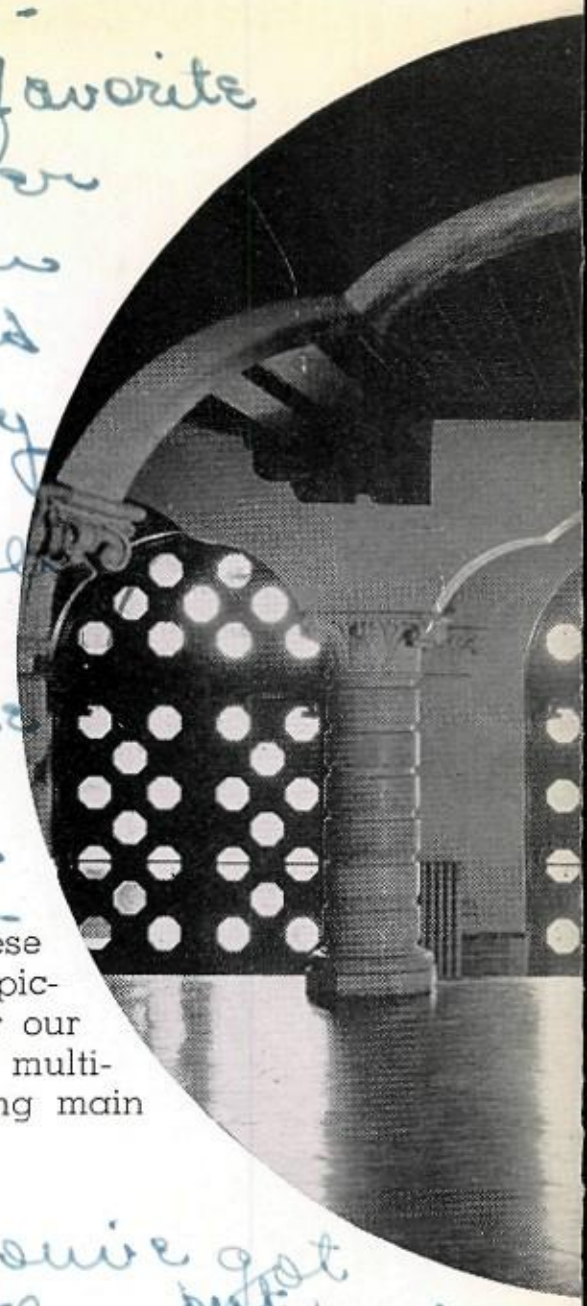
The majestic domes of Jefferson rise towards the silver-crested clouds, symbolizing the silver lining that dwells in the heart of every Jefferson student.

Symbolic of American
progress is this beauty spot with its
regal portals and its intricately designed columns,
like proud sentinels guarding the main entrance to our lovely school.

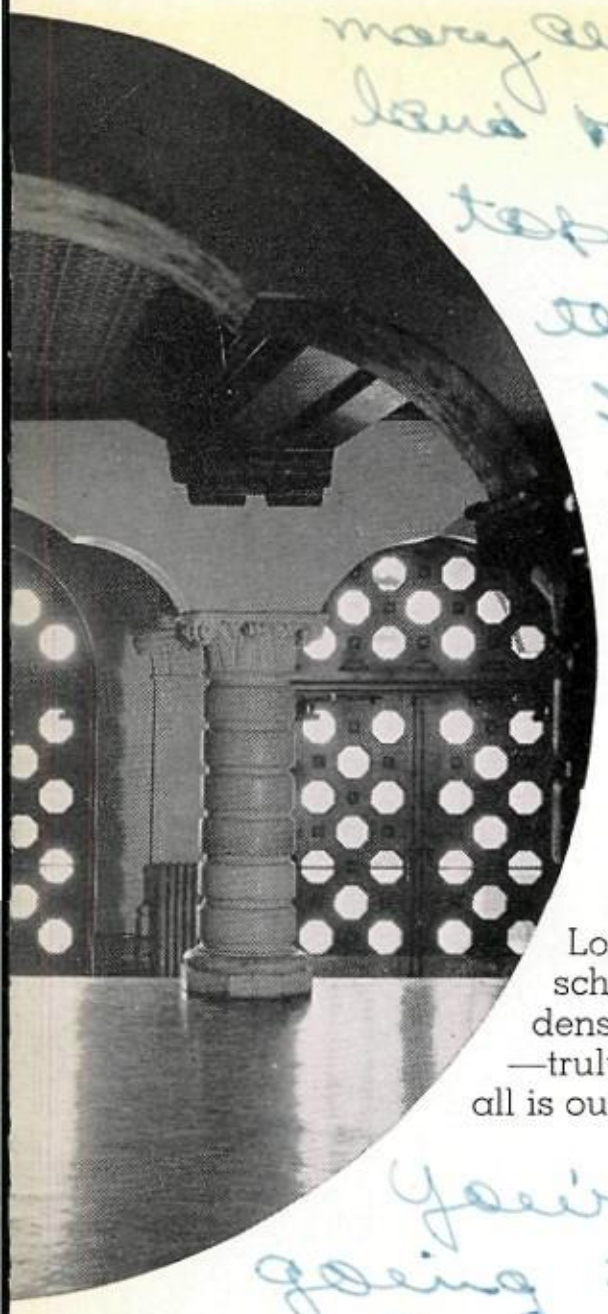
Adding dignity and grace to our school, the executive entrance with its intricate carvings, white and smooth as ivory, is a challenge to students and teachers for highest attainments.

Dear Mary Alice -

You're my favorite sophomore !!! I never really knew you until we moved out into the country but since then we've become such good friends. I don't suppose there is much left to be said about how sweet you are after all those messages of the seniors. Honestly, Mary Alice, I think you've got high ideals and stick to them without worry about the little things they don't count at all. During the next two years you'll have the best time of your life— I know what you're thinking, "Can anything be more wonderful than my sophomore year" I don't think so—unless maybe your senior year. So keep up the good work and make it

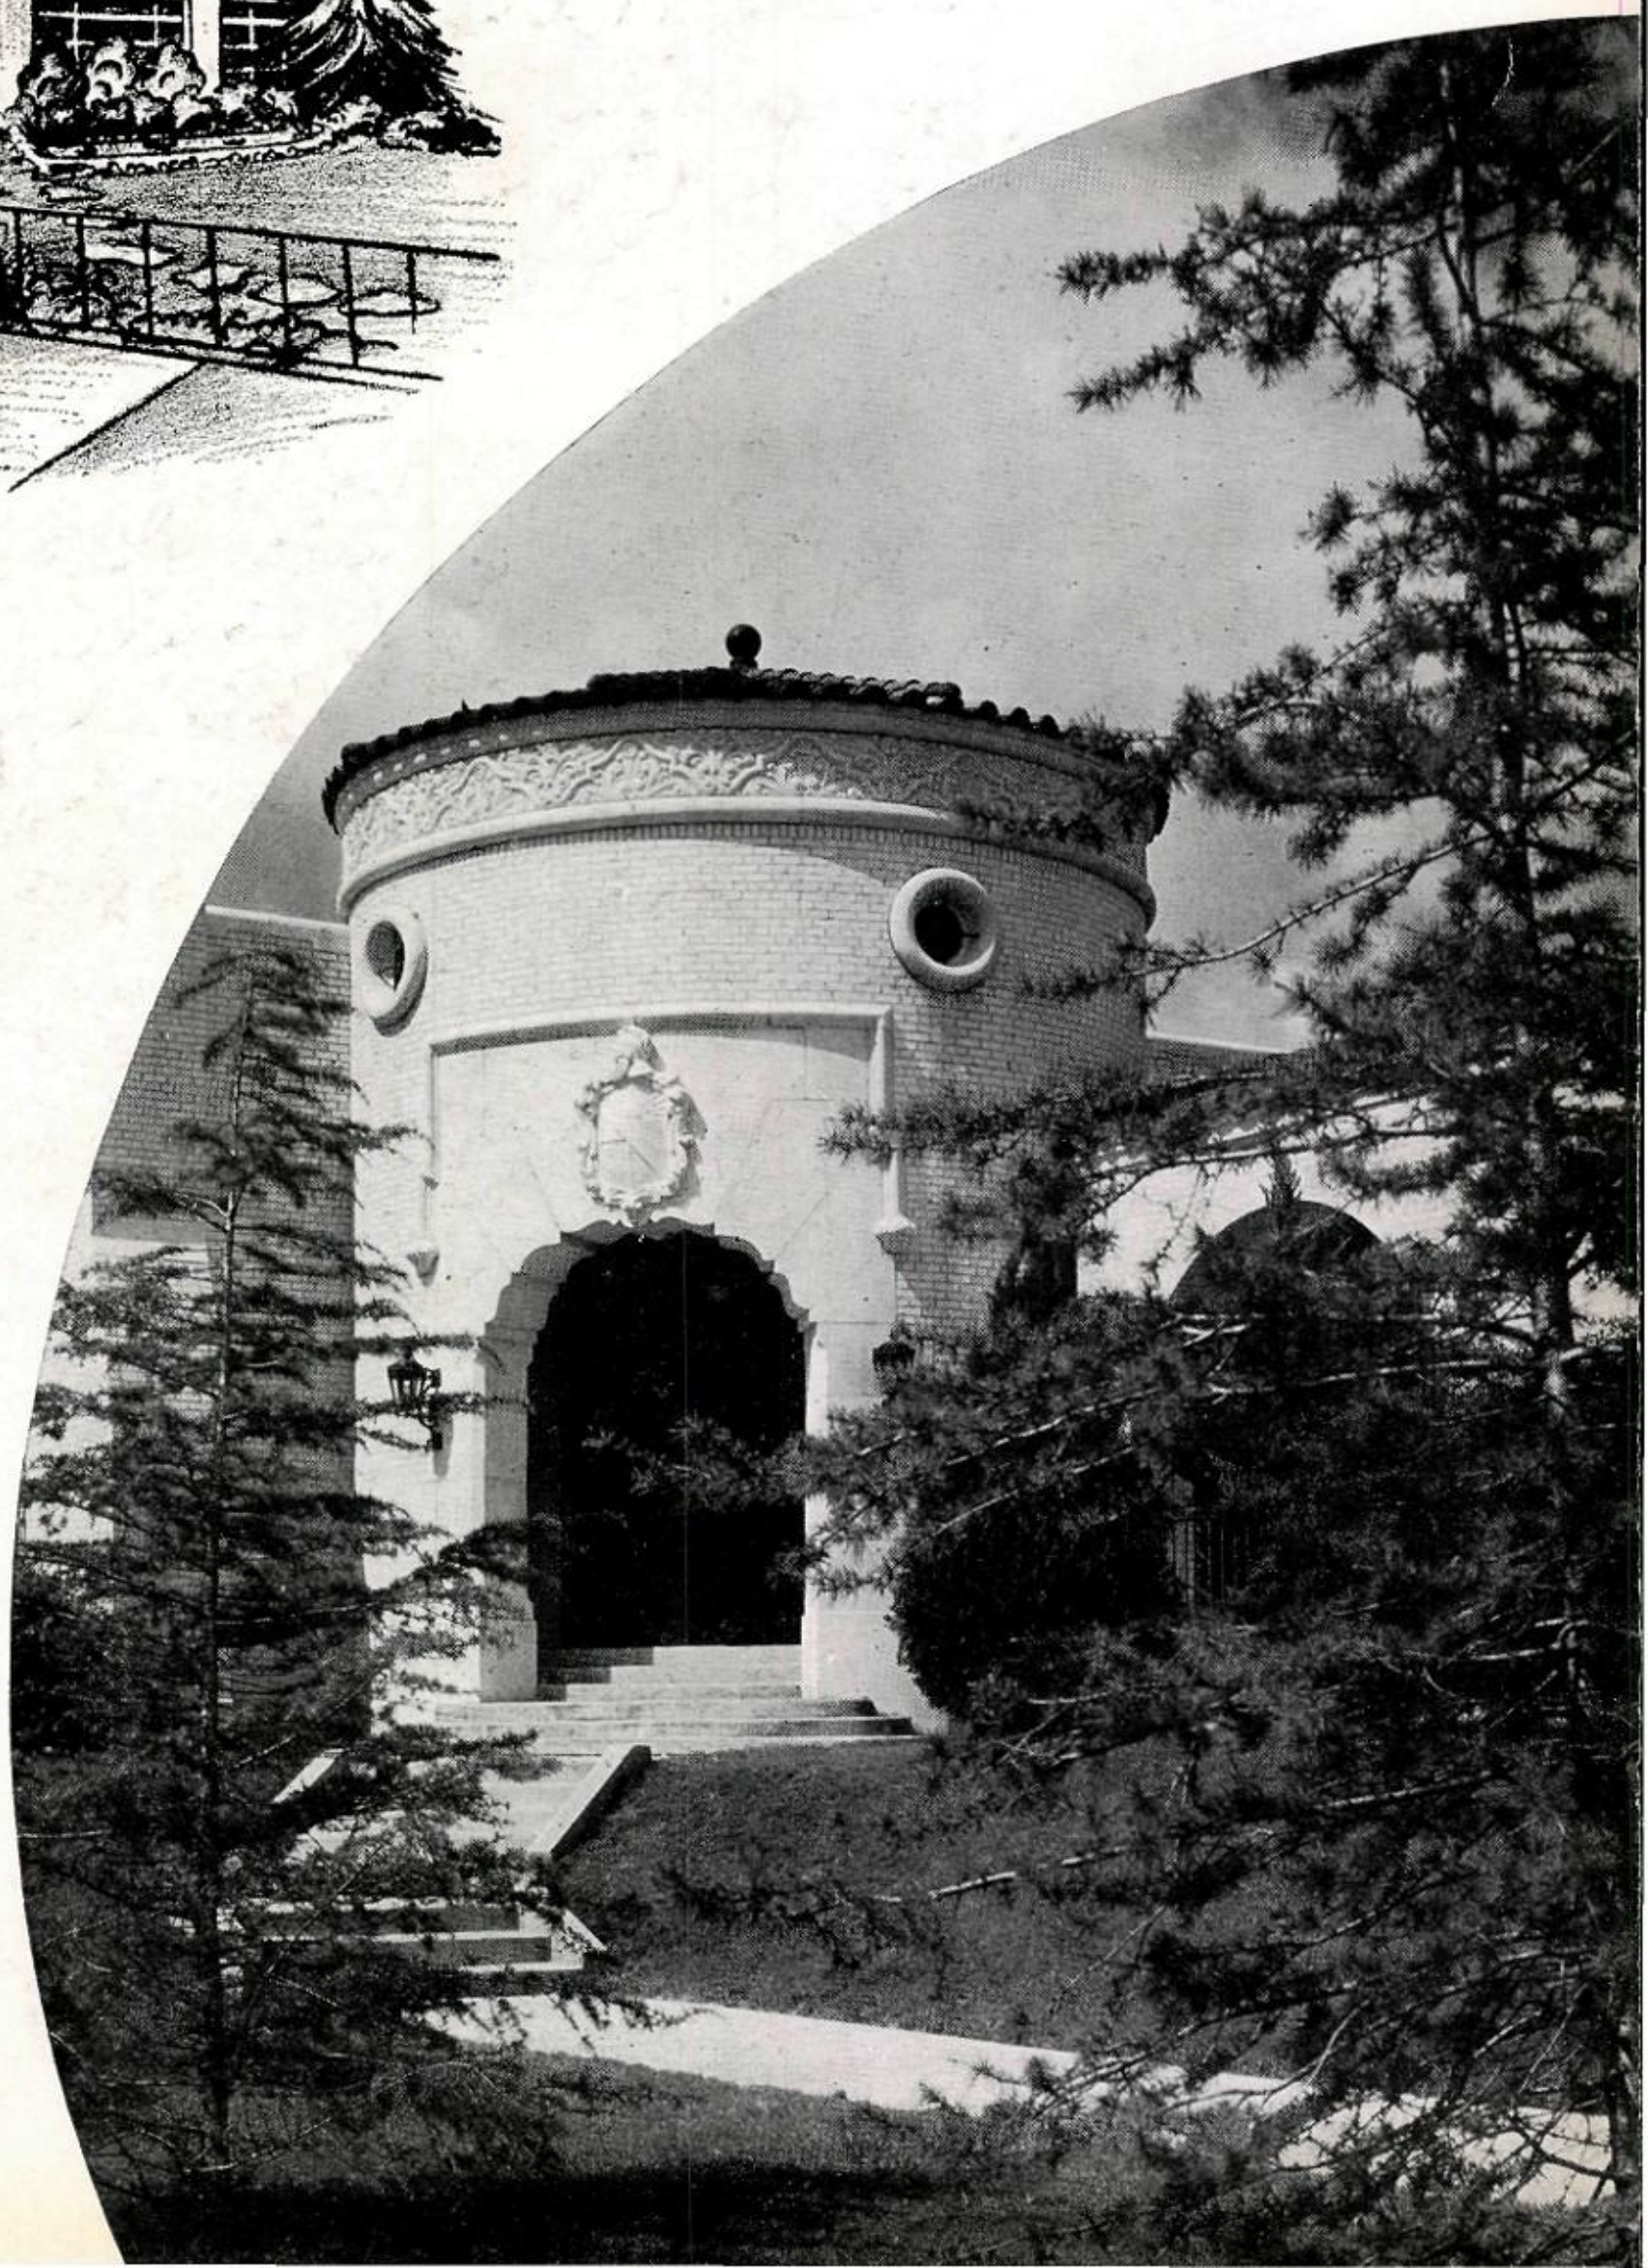


Upper:—Serene in their dignity, these massive doors form an inspiring picture. How proud we are to enter our beautiful school through these multi-paneled doors of our imposing main entrance!



Lower:—Thirty-three acres of beautiful school and campus, patios and gardens, fields and courts, links and track —truly an institution of learning for all is our Thomas Jefferson High School.

"In omni uno," carved on the Jefferson coat of arms over the entrance to our spacious cafeteria, voices Jefferson's loyalty to democracy and friendship.



How lovely are the fragrant flowers and flagstone walks in this gorgeous patio, enthusiastically maintained by Jefferson's student governing body, the Student Council!

God Bless America

While the storm clouds gather
Far across the sea,
Let us swear allegiance
To a land that's free.
Let us all be grateful
For a land so fair,
As we raise our voices
In a solemn prayer:

God bless America,
Land that I love,
Stand beside her and guide her,
Through the night, with a light
from above;
From the mountains to the prairies,
To the oceans white with foam,
God bless America,
My home sweet home.

Our Commander-in-Chief

(OPPOSITE PAGE)

Just as all Americans respect in the highest degree the most outstanding personage in our entire Country, the PRESIDENT OF THE UNITED STATES, whose position as Commander-in-Chief of our great United States Army places on his shoulders the full responsibility for the future of our mighty Nation, so we, young Americans of Thomas Jefferson High School, respect our principal, our own wise leader, who wisely guides the destinies of our school. Mr. Rogers, your forceful leadership has brought our Thomas Jefferson to the fore in the eyes of the Nation. Especially have your untiring efforts helped to build our Reserve Officers' Training Corps, Jefferson's contribution to our National Defense program. WE SALUTE PRINCIPAL T. GUY ROGERS, OUR COMMANDER-IN-CHIEF OF JEFFERSON!

His Aides-de-Camp

"Patriotism, loyalty, and unswerving allegiance to our country are attributes of all true American boys and girls. To the youth of our land is intrusted the responsibility of preserving the democratic, the American, way of life not only in the present crisis but under any and all circumstances. We know that the students of Thomas Jefferson High School can be relied upon."

—A. J. IVEY

"Service is the key-note of true patriotism; it is your privilege and your responsibility to share the problems of others. May you always be ready and willing to strive in every way—physically, mentally, and spiritually—to keep on a high plane the ideals, interests, and conditions of yourselves and all those who come within the reach of your influence throughout your lives."

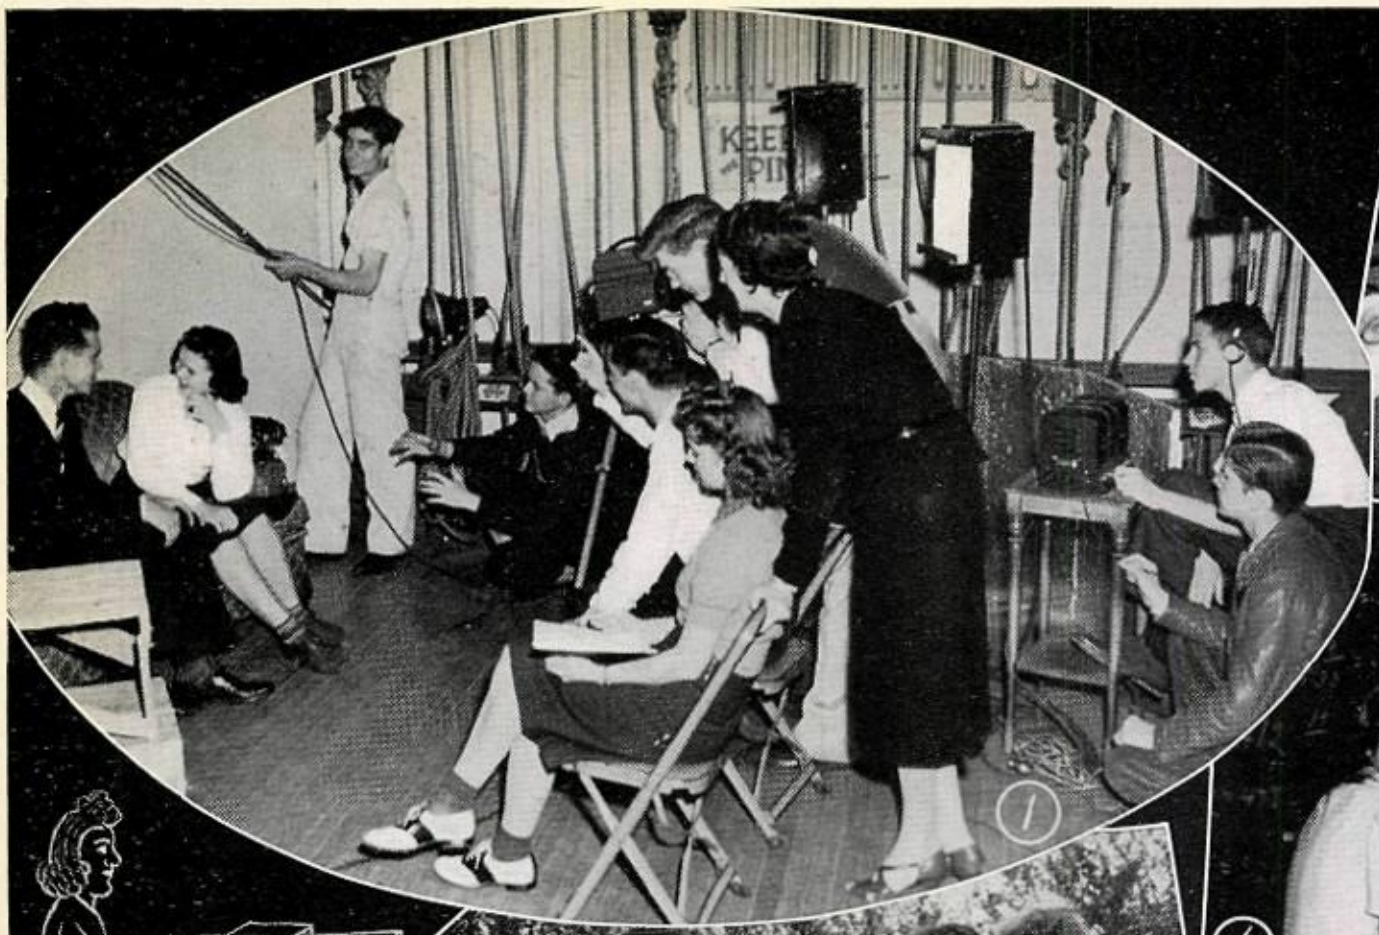
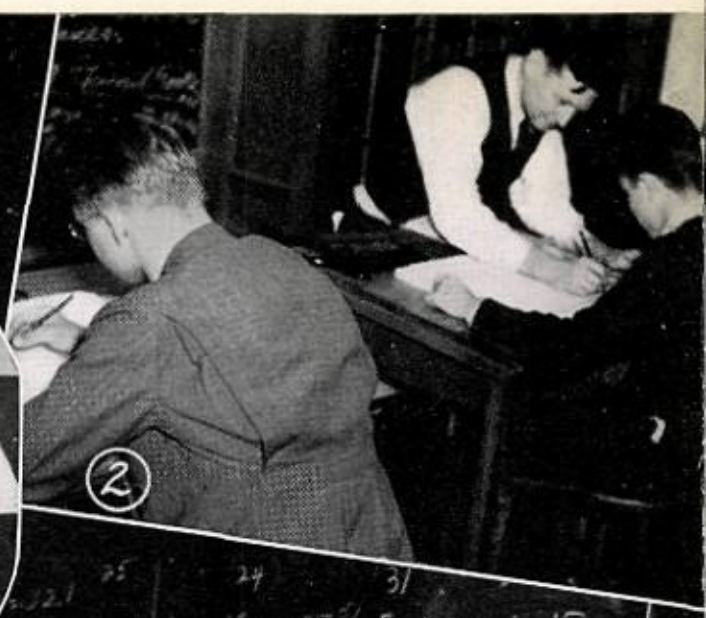
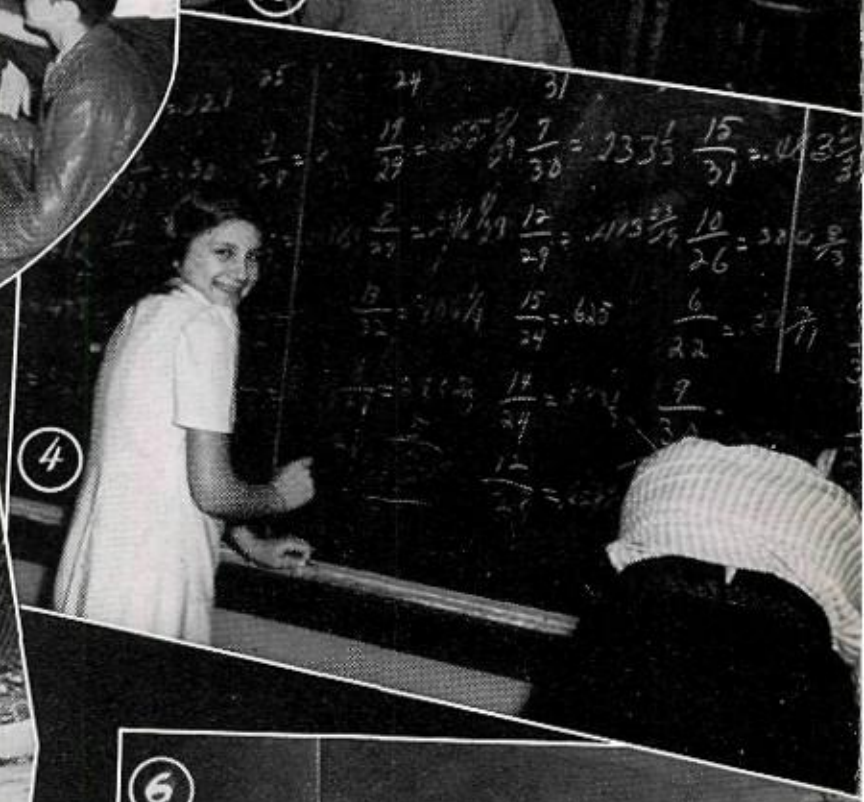
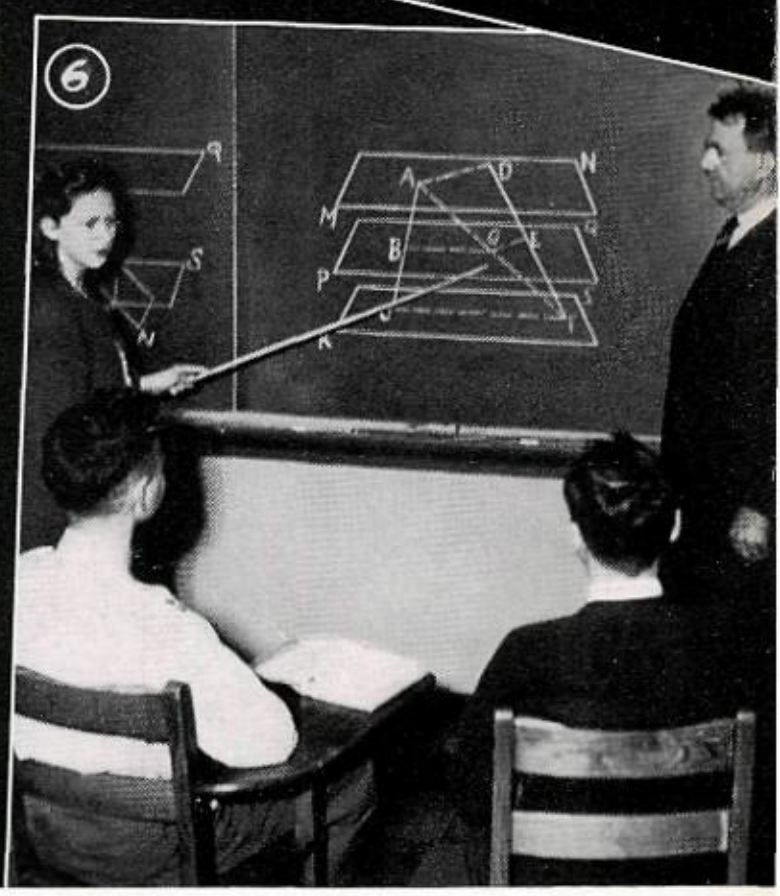
Miss Sauer, Columbia University; Mr. Taliaferro, North Texas State Teachers' College; and Mrs. Terry, Drake University.

Seven unusual Bachelor's degrees are Mr. de Burgos's Bachelor of Music from Detroit Conservatory of Music and his Ph. B. from Colgate University; Miss Douglas's LL.B. from the College of Industrial Arts; Miss









Very varied indeed are Jefferson's many interesting classes. Jeff's motion picture training class (1) Pixilated Pictures, begins the production of "Kathleen" under Miss Wolf's supervision. (2) In Mr. Ralson's drawing class another fine boy is guided into the architectural field. (3) Enjoying a new and valuable class, safe driving, these eager girls learn much about safety from Mr. Montgomery. (4) Working out the percentages of annual sales to see which advisory will win the Christmas check from the Monticello are these enthusiastic members of the annual sponsor's commercial arithmetic class. (5) Smoke really gets in their eyes in Mr. May's chemistry class. (6) Crowding up close to the explanation of an interesting problem are Mr. Daniel's geometry students.

Hendrix's B. B. A. from the University of Texas; and Miss Jones's, Miss Stone's, and Miss Vogel's Ph. B.'s from Chicago University.

The nineteen Master of Arts degrees from the University of Texas are possessed by Misses Allem, Barrett, Brunet, Crowell, Finney, Morey, Morgan, Murray, Pearl West, Wolf, and Wright, Mr. de Burgos, Mr. Daniel, Mrs. Dodd, Mr. Doolittle, Mrs. Hicks, Mr. Montgomery, Mr. Ralson, and Mrs. Weaver.

Jefferson's office assistants are very valuable to the school. (1) Helping in the Main Office, always a beehive of activity, are these fine girls, who assist in operating the telephone switchboard for the entire building, go on important errands for our principal, assist with the school treasurer's books, and serve as a courtesy committee for all school visitors. In the picture are Nancy Elaine Fischer, Lucy Jane Richerson, Florine Stansell, and Yvonne Varos. Gloria Tatsch (not in picture) is in charge of the making of the absentee list each day. Next (2) we see two of Mr. Ivey's assistants on duty, Glenn C. Martin writing an absentee slip and Jack Van Maltsberger answering the telephone. In the attendance office, supervised by Mr. Montgomery (center), the boys of this invaluable crew collect absentee slips, telephone homes of absentees, do routine clerical work, answer the telephone, and go on errands. In Miss Smith's office (3) these trustworthy girls are of value in recording absentee information, answering the telephone, taking care of the Dean's office when Miss Smith is called away, and assisting in the sick room. Seated are Sylvia Bernard, Miss Smith, and Lucille Larkin. Standing are Ruby Stone, Florence Dawe, Helen L. White, Miriam Aten, Marjorie Lee Bielstein, Hazel Melancon, Eleanor Banks, Mary Ann Trotter, Dorothy Carson, Barbara Perkins, Arlene Miller, and Virginia Newman.

Columbia University ranks second with ten M. A. degrees for Misses Arstein, Boyle, Burke, Dugosh, Durrett, McFarland, Sauer, and Ida Bess West, and Mrs. Bolton and Mrs. Fuller.

Furnishing three M. A.'s is Southwest Texas State Teachers' College, represented by Mr. T. Conner Burnett, Mrs. Chadwick, and Mrs. Tunnell. Incarnate Word's two alumnae are Miss Brooks and Mrs. Hickman. One M. A. degree each is from the following schools: S. M. U., Mr. T. A. Abbott; Central Missouri State Teachers' College, Mr. Arrowood; Our Lady of the Lake, Miss George; Boston University, Miss Helland; Wisconsin University, Miss Huey; Oklahoma University, Miss Oliphint; Iowa State, Miss Stein; and Chicago University, Miss Stone.

Three unusually interesting Master's degrees are Mr. Taliaferro's M. E. from A. and M. College of Texas, Miss Orrell's M. E. from University of Texas, and Mr. de Burgos's Mus. M. from Detroit Conservatory of Music. Leading in number of degrees, then, is Mr. de Burgos with his four degrees, two Bachelors and two Masters. Next is Miss Brooks with her two Bachelor's and one Master's degree.

Jefferson's teachers thus have as their professional background many colleges and universities in many states. Truly our students have much to gain from this rich experience of our faculty members.

Good luck to
a cute lil' ol' gal.

Shout! Wherever You May Be
I Am An American

On the street, in the home,
In a crowd, or alone—
Shout! Wherever you may be,
I AM AN AMERICAN,—
I am, from the heart of me.
Rich or poor, young and old,
Let this message be told,—
Shout! Wherever you may be,—
I AM AN AMERICAN,—
I'm proud of my liberty—
In the fact'ry, in the mill,
Thru each valley, from each hill,
Raise your voice and give America a thrill!—
On the farms, in the schools,
Let's have one set of rules,—
Shout! Wherever you may be,—
I AM AN AMERICAN
I am, ev'ry part of me.

Pass In Review!

We Proudly Present Jefferson's R. O. T. C.

Joining their fathers and friends of the American Legion and other patriotic organizations, our R.O.T.C. cadets proudly play their part in the Armistice Day parade.

The Flag Goes By

Hats off!
Along the street there comes
A blare of bugles, a ruffle of drums,
A flash of color beneath the sky.
Hats off!
The flag is passing by!

Blue and crimson and white it shines
Over the steel-tipped, ordered lines.
Hats off!
The colors before us fly;
But more than the flag is passing by.

Sea fights and land fights, grim and great,
Fought to make and to save the State:
Weary marches and sinking ships;
Cheers of victory on dying lips;

Days of plenty and years of peace;
March of a strong land's swift increase;
Equal justice, right, and law,
Stately honor and reverend awe;

Sign of a nation, great and strong
To ward her people from foreign wrong:
Pride and glory and honor—all
Live in the colors to stand or fall.

Hats off!
Along the street there comes
A blare of bugles, a ruffle of drums;
And loyal hearts are beating high.
Hats off!
The flag is passing by!

Principal T. Guy Rogers introduces Major McShane, speaker at our Thanksgiving assembly.

As Lieutenant McShane we knew him in 1934 when he came to us as Commandant of our R.O.T.C. Then as Captain McShane he carried on the tradition that the Jefferson Cadet Corps must always be an Honor Corps. As Major McShane he went away at our Country's call this past November. The real inner spirit of our Major McShane may be easily read in these words from his farewell talk to us in the Thanksgiving Day assembly:

> "I consider it an honor and a privilege to improve my military knowledge in order better to defend my country. This Thanksgiving I am giving thanks for three privileges: free worship of God, living in America, and free association with my fellow Americans."

Quite suddenly there he was in the Armory one day last November. Everyone was still stunned with the news that our commandant had gone to our Country's service. Then came the realization that here was someone who understood and who was going to "carry on" in the finest manner. As to how well he has carried on, the high rating of our Jefferson battalion at the annual Federal Inspection in March gives ample evidence. This 1941 Monticello of yours, honoring the R.O.T.C., found it possible to use the Cadet Corps theme only because of Sergeant Edwards's fine co-operation with our every request and his very real pride in the fact that we were eager to show the fineness of the Cadet Corps in permanent form.

Colonel Austin presents our Sergeant Edwards his honorable discharge from the Regular Army.

The Reserve Officers' Training Corps of our high school is now in its tenth year. Organized in Jefferson at the same time that the school was organized in 1932, it had as its first sponsor Captain John L. Hill. In 1934 Major Joseph B. McShane assumed the duties of commandant and remained with us until he was called to active duty for our Country's defense in November, 1940. At that time Sergeant Everett L. Edwards became our commandant and assumed his responsibilities so well that on March 7 at the annual Federal Inspection we were again awarded the honor star as a symbol of the high achievements of our R.O.T.C.

The history of the R.O.T.C. in San Antonio goes back to 1918, a Student Training Corps having been established in old Main Avenue High School, remaining thus until 1922 when the battalion became a 55-C school. The National Defense Act of 1920 having provided for the Reserve Officers' Training Corps, the Main Avenue Battalion became a unit of the R.O.T.C. in 1924, later becoming an honor unit in 1928. In 1932 the battalion was transferred to the new Thomas Jefferson High School.

The importance of the R.O.T.C. has been recognized since Colonial days, Governor Clinton of New York recommending military training for young people in schools in 1783.

Today the Reserve Officers' Training Corps, of which our own Jefferson boys are a part, is a vast reservoir of partially trained officers. It consists of students taking military training under War Department supervision. Although it is not a part of the Army, it is a vitally important element of the national defense in that its purpose is to provide reserve officers and non-commissioned officers, especially for the combat arms. It is truly "a body of potential officers second to none in the world."

Also it is a school for citizenship. It helps to provide a citizenry well informed as to American ideals and traditions. Nowhere else in the world can boys and young men acquire the mind poise, the body poise, the discipline, the courtesy, the good habits, the clear thinking, the organizing ability, and the respect for constitutional authority that they can by being members of the R.O.T.C. In its members we see the true spirit of service for Country shown by young people who are training to be citizens.

Becoming proficient citizens, learning to be leaders, developing inflexible character, believing in discipline at all times, having a healthy respect for law and order, seeing the right side of situations as they arise, enjoying the physical training for vigorous and worthy lives, and engaging in the mental training for really useful citizenship — these are the real purposes of the Reserve Officers' Training Corps. In our Thomas Jefferson High School the high rating earned and the high honors won are the direct outcome of the co-operation of all the men in the regiment, from private to colonel, in carrying out these purposes of the R.O.T.C.

In his first year in our Cadet Corps a cadet is taught the duties of a private in his branch. He learns that he must be at a certain place at a certain time, that there is authority he must respect, that there are details for which he is daily responsible. As a second year man he exercises a limited amount of leadership. Also during this year he receives special training preparatory for the officers' test, given late in April, as a result of which, together with other requirements, the officers for the next year are chosen. As third year men the cadets are given authority in the regiment, both as commissioned and

John

Dear Mary Alice,

I've known you about a year now and I think that you're one of the keenest little ole gals I've ever met. You've really got what it takes but yet you're not snobbish about it. I'm really glad that I know you and are your friend. Don't forget me.

Ann Bradley
BT 2

I'm The Flag! But I'm You!

I'm the flag! But I'm you!
You're the red, white and blue!—
You're weaving your lives in my strands!—
All I shall be or am
Through the storm or the calm,
Is your product of brains or of hands.

I'm the flag! I'm your hopes!
I'm the spirit that copes
With tyrants of greed and of gain.
I'm ambition that's true!
I'm the succor that flew
To the helpless o'er mountain or main.

I'm the flag! You may see
Just as plain as can be
Your purity shedding its glow!
In the red and the blue
Are reflected your "true,"
And your blood ever ready to flow!

I'm the flag! Raise me high
As your hopes! Bid me fly
From the mast or the steeple tall,
With your hearts true as steel,
With your faith strong and leal,
Bearing liberty, justice to all!

I'm the flag! *I am you!*
I'm the *red, white and blue*
Of your hopes and your faith and your love!
In your majesty, high
Let me float in the sky,
A conquering people above!

With the author's permission the stanzas above are reproduced from "I'm The Flag! But I'm You!" in *Some Legends And Other Verse*, the first collection of poems of Frederick Abbott, who is now enjoying his first year of leisure after years of splendid service in the San Antonio schools, the last nine of which were in our own Thomas Jefferson High School. Mr. Abbott now conducts the Abbott Studio of the Speech Arts in San Antonio.

Mark Time! March!

We Pause and Inspect Jefferson's Organizations

At the Monticello assembly honoring our Flag, the colors were advanced just before the Pledge of Allegiance was given by all present in the auditorium.

When we salute the Flag of the United States, we are giving expression to our patriotism, our love for our great Country. We are not saluting merely a beautiful symbol; we are pledging our allegiance to a mighty Nation, created and worshipped and preserved by men and women, boys and girls, some now living and others long dead, to whom the ideals and honor of this Country are and have been dearer than their very lives.

It is with this reverent feeling that we repeat together this Pledge of Allegiance:

"I pledge allegiance to the Flag of the United States of America and to the Republic for which it stands, one Nation indivisible, with liberty and justice for all."

★ ★ ★ Our Tenth Anniversary ★ ★ ★

On this tenth anniversary of the issue of the first Monticello in 1932, the initial year of our school's history, the members of the 1941 Staff salute you, Jefferson, and thank you for your splendid co-operation and the enthusiasm you have always felt toward our work just as Jefferson students of all preceding years have stood behind the Monticello. We want this beautiful 1941 edition to play well its part in the chain of ten years of happy schoolday memories, incidents not forgotten, but captured and held forever in memory within the priceless pages of the ten editions of the Monticello.

The Staff

Managing Editors Gloria and Mildred, admiring the display, feel a surge of pride that they themselves, through having served three full years in the Monticello office, have typed the major part of the copy for the latest three of our school's annuals.

America

Written by Samuel Francis Smith in 1832, this song is now our National Hymn.

My country! 'tis of thee, sweet land of liberty, of thee I sing:
Land where my fathers died! Land of the pilgrims' pride!
From every mountain side let freedom ring!

My native country, thee, land of the noble free, thy name I love;
I love thy rocks and rills, thy woods and templed hills:
My heart with rapture thrills like that above.

Let music swell the breeze, and ring from all the trees sweet freedom's song:
Let mortal tongues awake; let all that breathe partake;
Let rocks their silence break, the sound prolong.

Our father's God, to Thee, Author of liberty, to Thee we sing:
Long may our land be bright with freedom's holy light;
Protect us by Thy might, great God, our King!

Forward! March!

The Name of Old Glory

Old Glory! say, who,
By the ships and the crew,
And the long, blended ranks of the gray and the blue,—
Who gave you, Old Glory, the name that you bear
With such pride everywhere
As you cast yourself free to the rapturous air
And leap out full-length, as we're wanting you to?—
Who gave you that name, with the ring of the same,
And the honor and fame so becoming to you?—
Your stripes stroked in ripples of white and of red,
With your stars at their glittering best overhead—
By day or by night
Their delightfullest light
Laughing down from their little square heaven of blue!—
Who gave you the name of Old Glory?—say, who—
Who gave you the name of Old Glory?

Old Glory: the story we're wanting to hear
Is what the plain facts of your christening were,—
For your name — just to hear it,
Repeat it, and cheer it, is a tang to the spirit
As salt as a tear;—
And seeing you fly, and the boys marching by,
There's a shout in the throat and a blur in the eye
And an aching to live for you always — or die,
If, dying, we still keep you waving on high.
And so, by our love
For you, floating above,
And the scars of all wars and the sorrows thereof,
Who gave you the name of Old Glory, and why
Are we thrilled at the name of Old Glory?

Then the old banner leaped, like a sail in the blast,
And fluttered an audible answer at last.—

And it spake, with a shake of the voice, and it said:—
By the driven snow-white and the living blood-red
Of my bars, and their heaven of stars overhead—
By the symbol conjoined of them all, skyward cast,
As I float from the steeple, or flap at the mast,
Or droop o'er the sod where the long grasses nod,—
My name is as old as the glory of God.
. . . So I came by the name of Old Glory.

America The Beautiful

O beautiful for spacious skies,
For amber waves of grain,
For purple mountain majesties
Above the fruited plain!
America! America!
God shed His grace on thee
And crown thy good with brotherhood
From sea to shining sea!

O beautiful for pilgrim feet,
Whose stern, impassioned stress
A thoroughfare for freedom beat
Across the wilderness!
America! America!
God mend thine every flaw
Confirm thy soul in self-control,
Thy liberty in law!

O beautiful for heroes proved
In liberating strife,
Who more than self their country loved,
And mercy more than life!
America! America!
May God thy gold refine
Till all success be nobleness
And every gain divine!

O beautiful for patriot dream
That sees beyond the years
Thine alabaster cities gleam
Undimmed by human tears!
America! America!
God shed His grace on thee
And crown thy good with brotherhood
From sea to shining sea!

Dear Alice

I think you already know how cute I think you are. This is no "annual bull" really. Honest, you are one keen gal in mine and everyone else's estimation. We're really had fun in our sophomore year. Hope we have as much fun these next two years. Just think we may be S.S. sister's together. Then we will really have fun. (Jim here is a nut.)

The Star-Spangled Banner

NOTE: — The words of "The Star-Spangled Banner" were composed in the early dawn of September 14, 1814, by a young American, Francis Scott Key, temporarily detained, while on an American mission, on the flagship of the British fleet bombarding Fort McHenry near Baltimore during the War of 1812. At early dawn he saw the flag of his country still proudly waving. These stirring words were designated as our National Anthem by Act of Congress on March 3, 1931.

I love you

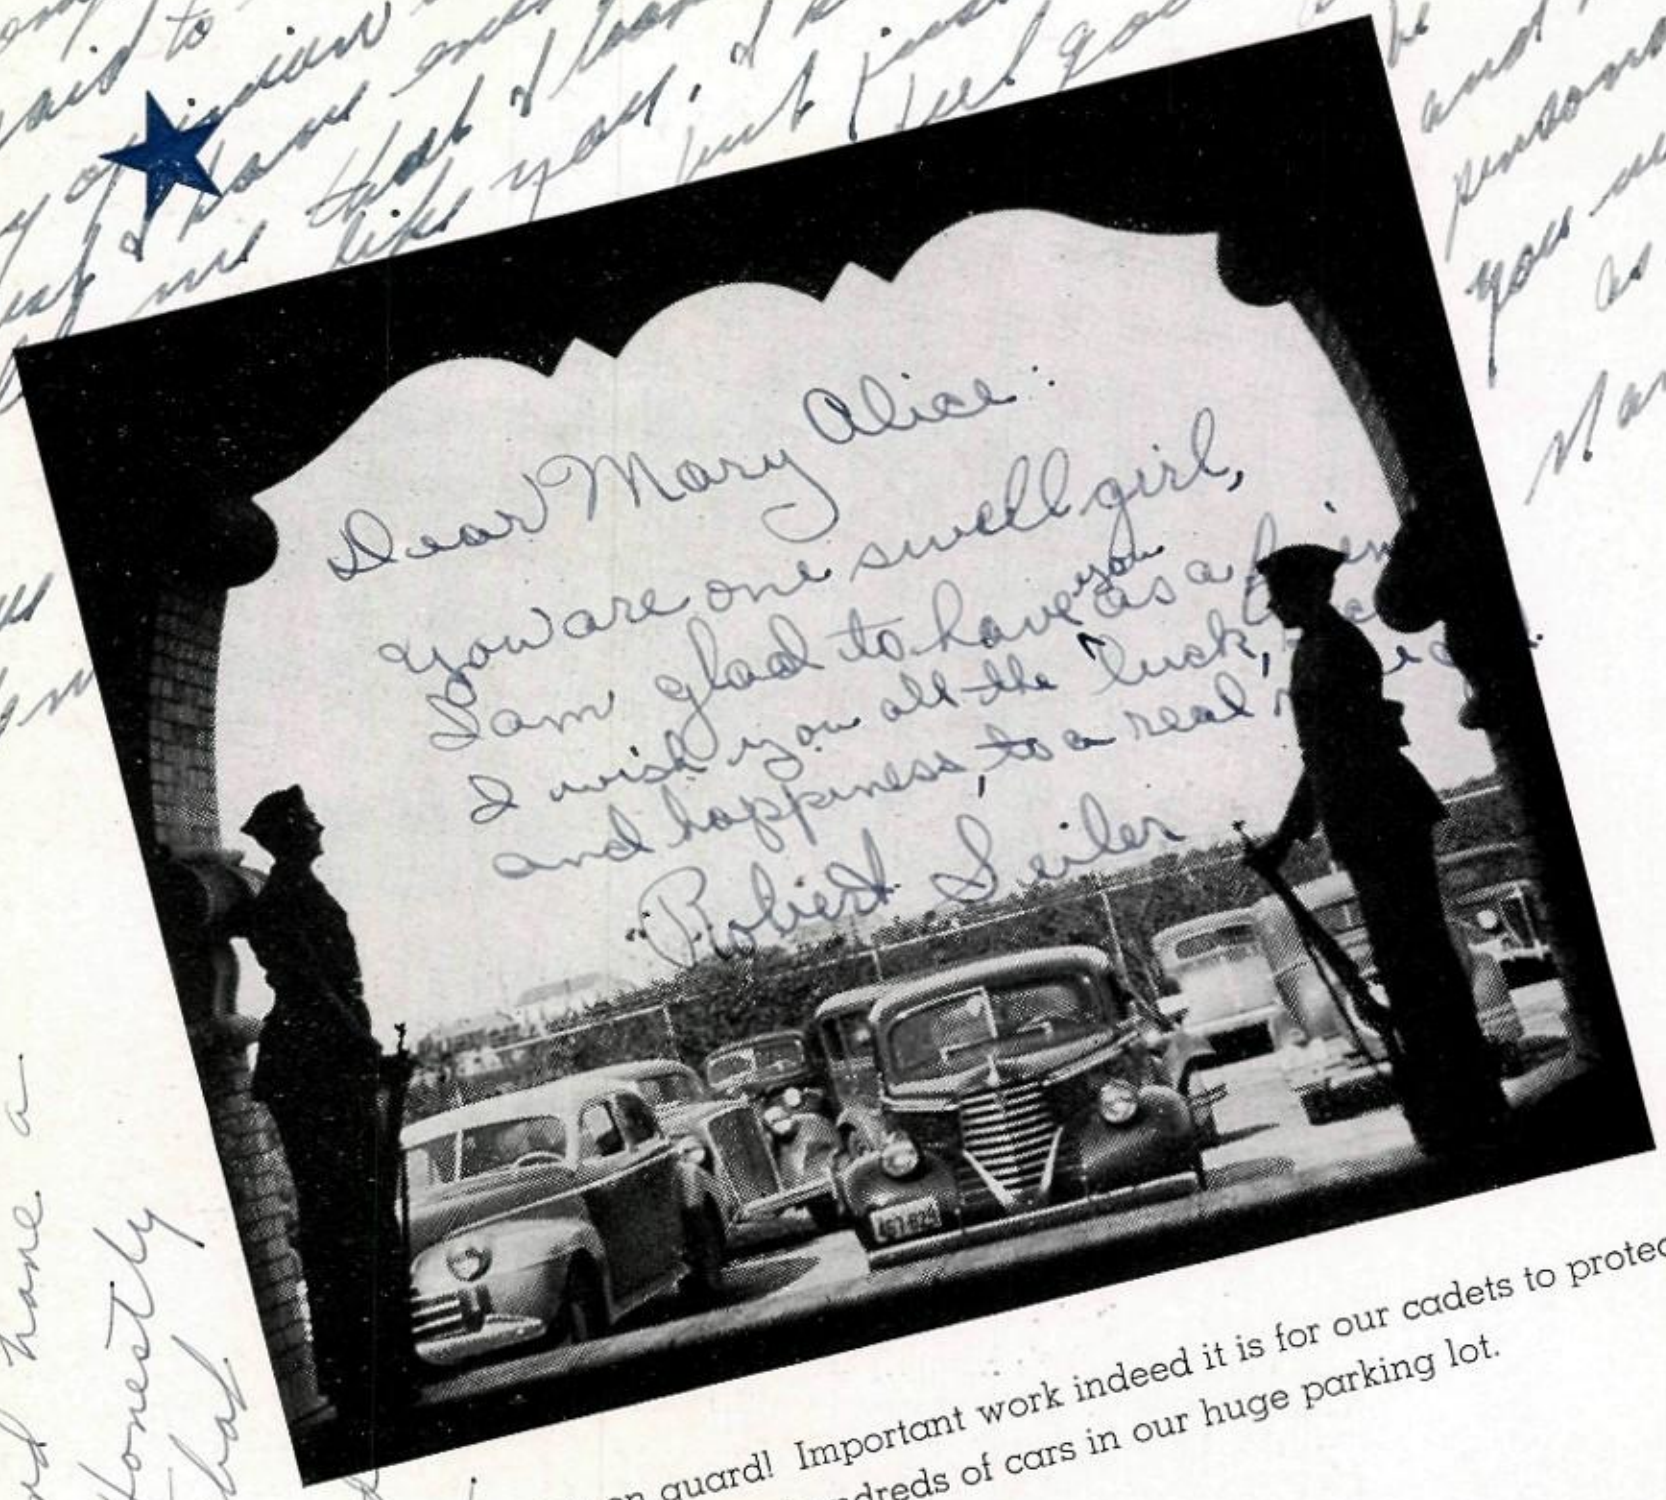
O say can you see by the dawn's early light,
What so proudly we hail'd at the twilight's last gleaming;
Whose broad stripes and bright stars through the perilous fight
O'er the ramparts we watch'd were so gallantly streaming?
And the rocket's red glare, the bombs bursting in air,
Gave proof through the night that our flag was still there,
O say does that star-spangled banner yet wave
O'er the land of the free and the home of the brave?

On the shore dimly seen through the mists of the deep,
Where the foe's haughty host in dread silence reposes,
What is that which the breeze, o'er the towering steep,
As it fitfully blows, half conceals, half discloses?
Now it catches the gleam of the morning's first beam,
In full glory reflected now shines in the stream,
'Tis the star-spangled banner — O long may it wave
O'er the land of the free and the home of the brave!

And where is that band who so vauntingly swore,
That the havoc of war and the battle's confusion
A home and a country shall leave us no more?
Their blood has wash'd out their foul footsteps' pollution
No refuge could save the hireling and slave
From the terror of flight or the gloom of the grave
And the star-spangled banner in triumph doth wave
O'er the land of the free and the home of the brave.

O thus be it ever when freemen shall stand,
Between their lov'd homes and the war's desolation!
Blest with vict'ry and peace may the heav'n-rescued land
Praise the power that hath made and preserv'd us a nation!
Then conquer we must when our cause it is just,
And this be our motto — "In God is our trust;"
And the star-spangled banner in triumph shall wave
O'er the land of the free and the home of the brave.

Written by — Francis Scott Key



Young America on guard! Important work indeed it is for our cadets to protect from harm the hundreds of cars in our huge parking lot.

Rest!

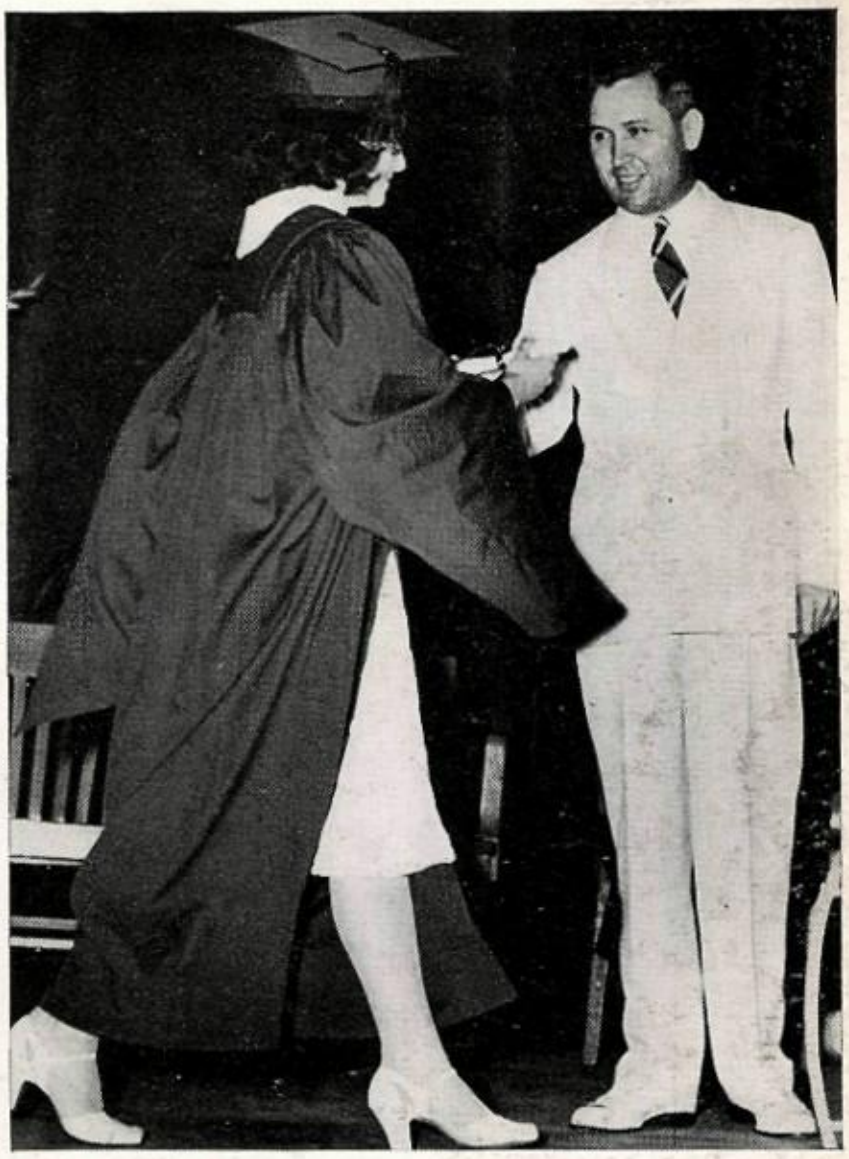
With One Foot in Place We Look In on Jefferson at Play

★ ★ ★ *Impressive Ceremony* ★ ★ ★

(1) With impressive ceremony fifty-three new officers and their sponsors receive their commissions at the 1940-'41 Military Ball. (2) Colonel Sponsor Horner pins diamonds on Colonel Hollaway, new commanding officer. (3) New officers proudly form arch of sabers under which their sponsors march to glory. (4) In contrast with the dignity of the announcement of new rank, Christine and Ray swing out in glee. (5) A solemn moment it is for each one of the one-hundred six as he steps through the arch to receive the plaudits of the audience.

★ ★ ★ ★ Crowning Glory ★ ★ ★ ★

May, 1940! Graduation night! A dream come true! For the fortunate six hundred it is the crowning glory of their three happy years in Jefferson. As juniors we assume our responsibilities, decorate the beautiful auditorium for the exercises in honor of our graduating friends, and then, as a part of the vast audience, watch our friends step up one by one to receive their just rewards for three years of earnest endeavor. Smiles vie with tears. The last diploma is awarded. The beautiful graduation music ceases. Everyone rushes to congratulate the graduates. Suddenly we realize that we are now seniors in their places and that in one short year we too will be a part of all this graduation glory.



Dr. Hollers, President of the Board of Education, is cordially presenting one happy graduate her reward.

★ ★ Three Short Months Later ★ ★

Above: — Eager to start afresh in a new term, we swarm up Jeff's beautiful walks to fill our beloved school with hustle and bustle for another nine months.

Right: — Ready to greet us, help us with our problems, and plan a new year of enrichment for us is our ever-understanding principal, Mr. Rogers, at his office desk.

★ ★ ★ ★ Registration Day ★ ★ ★ ★

Capable Student Council members willingly render valuable service to sophs, juniors, and seniors alike on hectic registration day. Council members (1) get books in readiness to issue to throngs of students after our programs are completed. Registration begins and the halls are bustling with excitement. (2) Registering with Mrs. Lowman in the commercial department are these serious young secretaries-to-be, while (3) future Einsteins seek places in Mr. May's interesting chemistry classes, just one short year away from those coveted diplomas. By afternoon twenty-four hundred of us have signed up with eighty teachers, and at long last we start homeward, exhausted but able to creep to the bus.

★ ★ ★ ★ Quiet Moments ★ ★ ★ ★

Our spacious, high-ceilinged library, in which four hundred fifty of us at each period of the day absorb its charm, its beauty, its dignity, is indeed a place to stir pride in our hearts. Its indirect lighting, beautiful Venetian blinds, intricately carved ceiling beams, vari-hued tiles, shelves overflowing with more than ten thousand volumes, and gracious guardians — long will we remember all these.

LASSOS AT DRILL

★ ★ ★ ★ Famous Visitors ★ ★ ★ ★

(1) Jeff's famous Lassos visit Borden's favorite cow, Elsie, motion picture star, who furnishes favorite milk. (2) Great excitement among the students! A famous person, Mr. Gail Borden, friend of the Lassos, visits the school and takes the review of the Lassos.

★ ★ ★ ★ Austin Cavalcade ★ ★ ★ ★

Off to Austin go more than a thousand Jeff rooters! (1) Merry hearts and melodious voices — Lassos hold a "sing-song" with "Home on the Range" as the train chugs on. (2) One of our memories! Miss Smith and Miss Douglas check the girls in every car so that no one will be left behind. (3) P.T.A. mothers turn the baggage coach into a refreshment car of delicious food to curb the hunger pangs of the Austin-bound students. (4) Lasso Drum and Bugle Corps sets the step for the Jeff parade down Congress Avenue in Austin. Unified marching, harmonious music, happy faces — all blend to make an inspiring picture. (5) Doris and Marjorie give the conductor a hand with his stacks of tickets as he registers approval of their help.

★ ★ ★ ★ Spirit Still Soars ★ ★ ★ ★

The game over, back home to San Antonio we start. (1) "Tickets, please!" and as the conductor passes through with his lantern, soundly sleeping Band members rouse for just an instant. (2) Proudly held by two erect Lasso flagbearers are our beautiful National and State colors. (3) Drum majorettes, forgetting so quickly our defeat, softly sleep as the long train rumbles and clatters on through the night. An occasional school yell startles the sleepers. Bursts of song die out before they really start. It's the end of a perfect day when we roll into San Antonio at two o'clock in the morning.

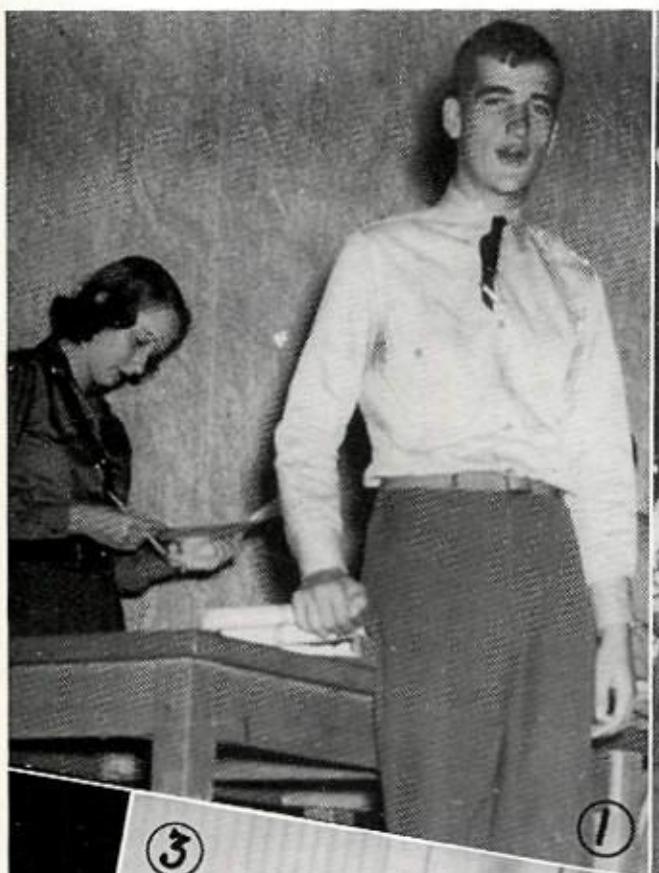
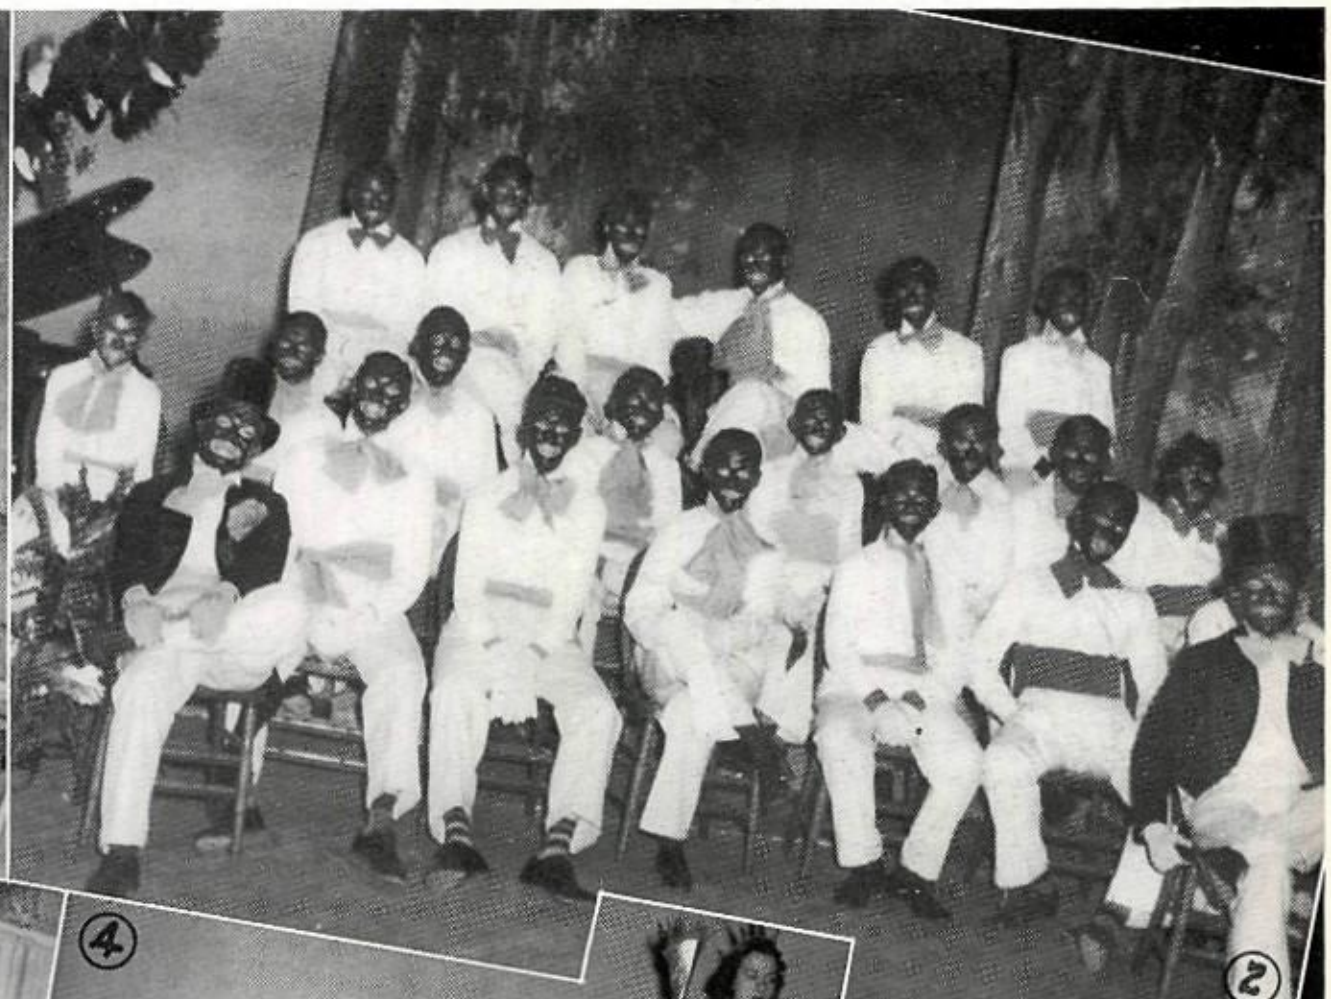
Here Cadet Lahourcade graciously receives guests. Inside, (3) Mrs. Sultenfuss flashes that winning smile to enroll new members. (4) Invading the Armory, some proud parents inspect their boys' hobbies at Hobby Lobby, while (5) others are eager to better their aim as sharpshooters.

(1) Alert President Swearingen is "stepping lively" as the members of the Class of '41 make plans for Jefferson's first senior minstrel (2) by which everyone is entertained with jokes and good music, especially the crooning of (3) Wallace and Wunsch. (4) Our school is reminded of its duty to the nation in impressive patriotic assembly.





★ ★ ★ ★ Real Hospitality ★ ★ ★ ★

Opposite: — (1) Frankly puzzled over how such a tiny girl as Valeria can so marvelously manage that big baton are Mr. Eaton and Mr. Ervin, Grantland Rice photographers, as they are greeted by Lasso officials and sponsor on their arrival at Jefferson. "Can she really twirl that thing?" asks Mr. Eaton. (2) Ready! Camera! Action! Once more Lassos "go Hollywood" as pictures are made on our campus by Grantland Rice Sportslite managers. A real thrill for excited Lassos! (3) A sea of wide-brimmed hats! Lassos thank the football boys for a grand season with a delicious Mexican dinner at the Original. Husky football players seem to be lost among so many Lassos.

Below: — Little wonder the Latin Club is known throughout Jefferson for its friendliness, good fellowship, culture, and wonderful times. Latin students have been entertained in many of the loveliest homes of the city. Here President Justine presides over meeting as all relax and enjoy real old Southern hospitality in the Hollywood atmosphere of Beverly Mae Jordan's lovely home.

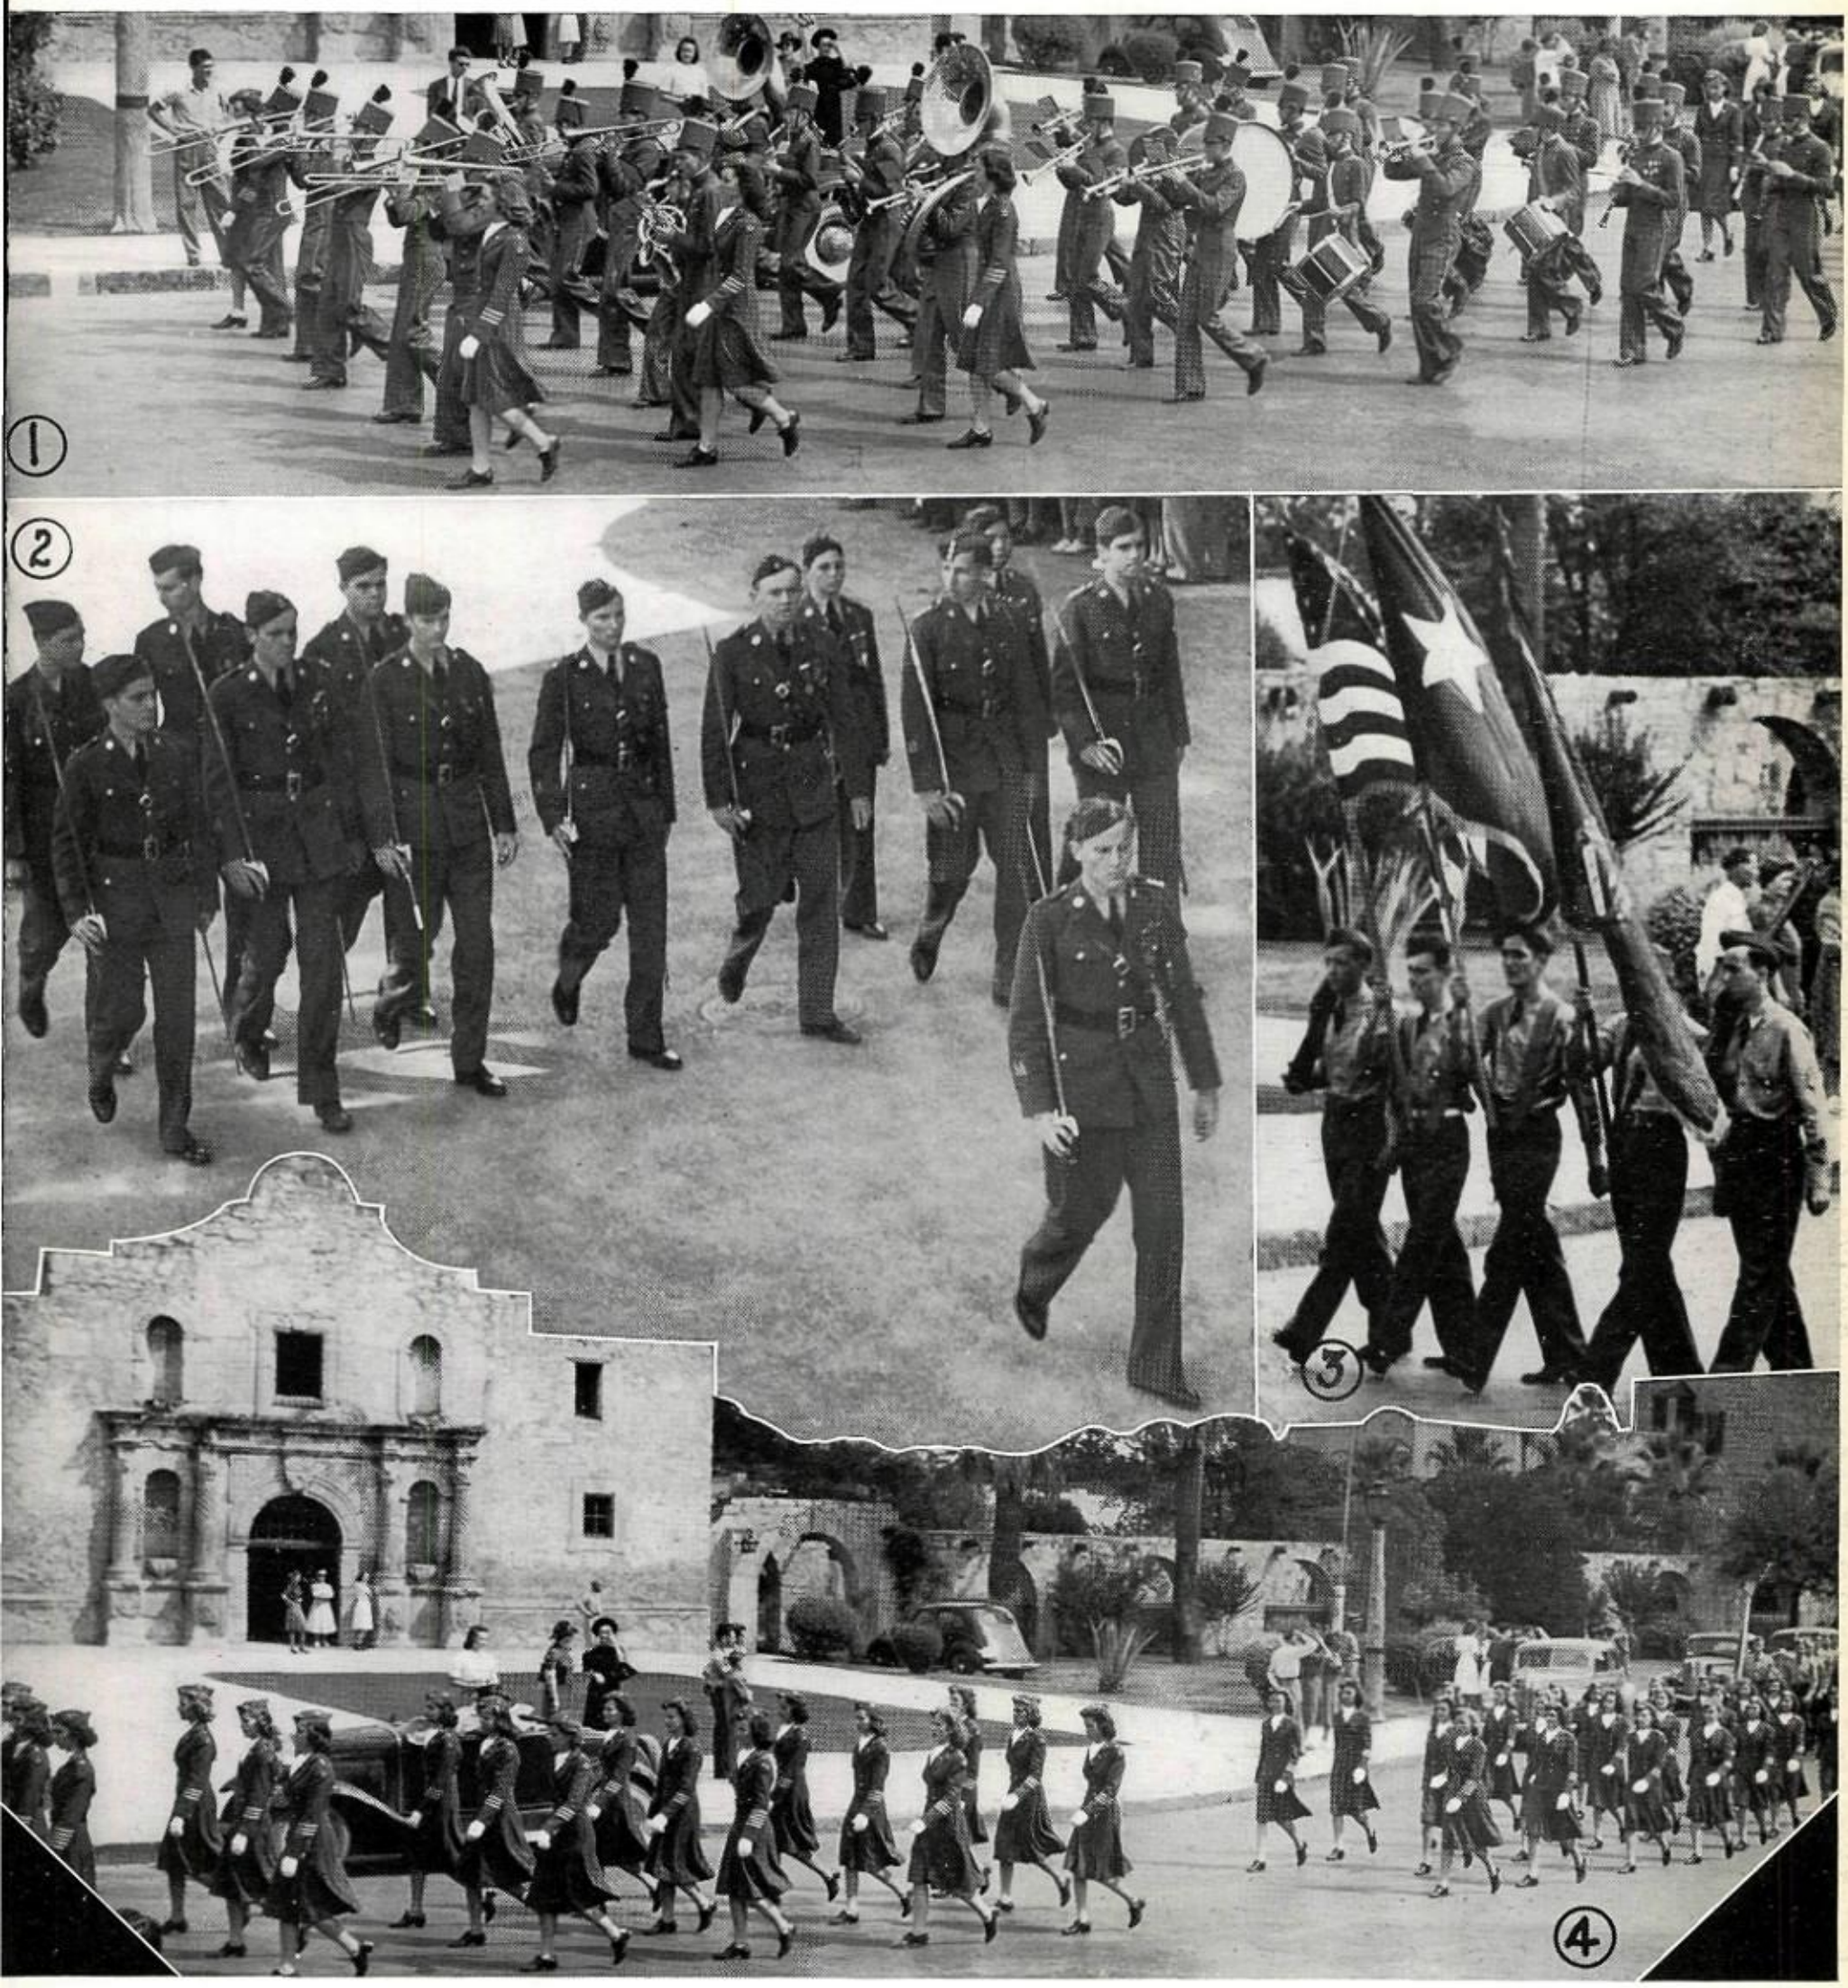
★ ★ ★ ★ Enthusiasm High ★ ★ ★ ★

That powerful swing of Popeye's hits a new high in Monticello sales this year. Enthusiasm among the students due to the promise of another champion yearbook, more beautiful than all the others, booms the sales to an unprecedented number. For their fine, unselfish work Hal Miller, Bruce Meador, Audrey Little, Betty Hazeltine, Janis Mell, Frances Brinkmeyer, and Velma Kay win free annuals. Janis, Luella, and Bruce, representing the M.J.R.'s, Skeltons, and Senate register happiness as they receive from Velma, Circulation Manager, their four dollar, six dollar, and ten dollar checks as rewards for their clubs' fine work.

★ ★ ★ ★ ★ Armistice Day ★ ★ ★ ★ ★

(1) Colorful Jeff Band, stepping along briskly in rhythmic unity with polished instruments gleaming, proudly parades past Alamo. (2) Gallantly marching are the officers of the commanding staff of our R.O.T.C., led by Colonel Hollaway. (3) "Hats off! The flag is passing by." (4) Resplendent in their patriotic red and blue uniforms, sponsors pass Alamo.



Varied Interests

Above: — (1) At the 1940 T.H.S.P.A. convention in Denton our Monticello staff and sponsor enjoy an early breakfast. (2) Albert Orsinger twirls his cane for the belles of the Bowery Ball. (3) Peggy and Madelyn, attired in Grandmother's party dresses, are amazed at John Bob's cigar and checkered apparel. (4) Our Mildred De Witt, T.H.S.P.A.'s state secretary, discusses program plans with Mr. Crenshaw, Miss Harkins, Mr. Soucek, and Mr. Hayden.

Opposite: — (1) Smart Jeff cameraman shows technicolor movie of the Latin Club's garden party, Beverly Mae's father having graciously furnished the motion picture. ★ 'Twas The Night Before Christmas ★

It's Christmas time again at Jefferson, and (1) Jeff students forget their dignity and their age in a hearty welcome to good old Santa Claus on his arrival. (2) What grand hosts Mr. and Mrs. Edwards and Elmer J. are at their Christmas party for the annual and the Cicero class at famous old La Villita! Cheery glow of a wood fire, melody of Mexican airs, gay decorations, and marvelous food are all just made complete by Santa's dropping in on us with gifts for everyone.

★ ★ ★ Christmas Cheer Magic ★ ★ ★

With all its solemnity and its happiness Christmas comes to Jefferson as throngs of us (1) gather before school to sing carols around the school's Christmas tree. "Joy to the World" our Jeff students sing, and they really practice what they sing as (2) members of the Irvin advisory pack a car with Christmas cheer for a needy family, one of the eighty-three cared for by Jefferson, and (3) the Ralson and L. E. Taliaferro advisories take inventory of their huge, fascinating supply. Even the clubs join in, as (4) the Dolly Madison Club girls and Miss George proudly assemble their many packages. (5) Miss Brunet's advisory members wrap beautiful packages under the solemn spell of "Silent Night," written in French on the board.

★ ★ ★ All The World's A Stage ★ ★ ★

(1) How Jeff's eyes do pop at "Jeff'sapoppin!" The finale is a colorful interpretation of the Conga; the theme is "Down Argentine Way;" the characters are lovely senoritas and gallant senors. (2) "Rich Man, Poor Man" is cleverly enacted by Miss Orrell's classes, as are (3) "The Ghost of a Freshman," (4) "Glittering Moments," and (5) "Romance Incorporated." Many happy moments these dramatics students have in Jefferson's Little Theater. In this beautiful room entirely set aside for the use of dramatics students our boys and girls also acquire poise and the ability to meet real life situations.

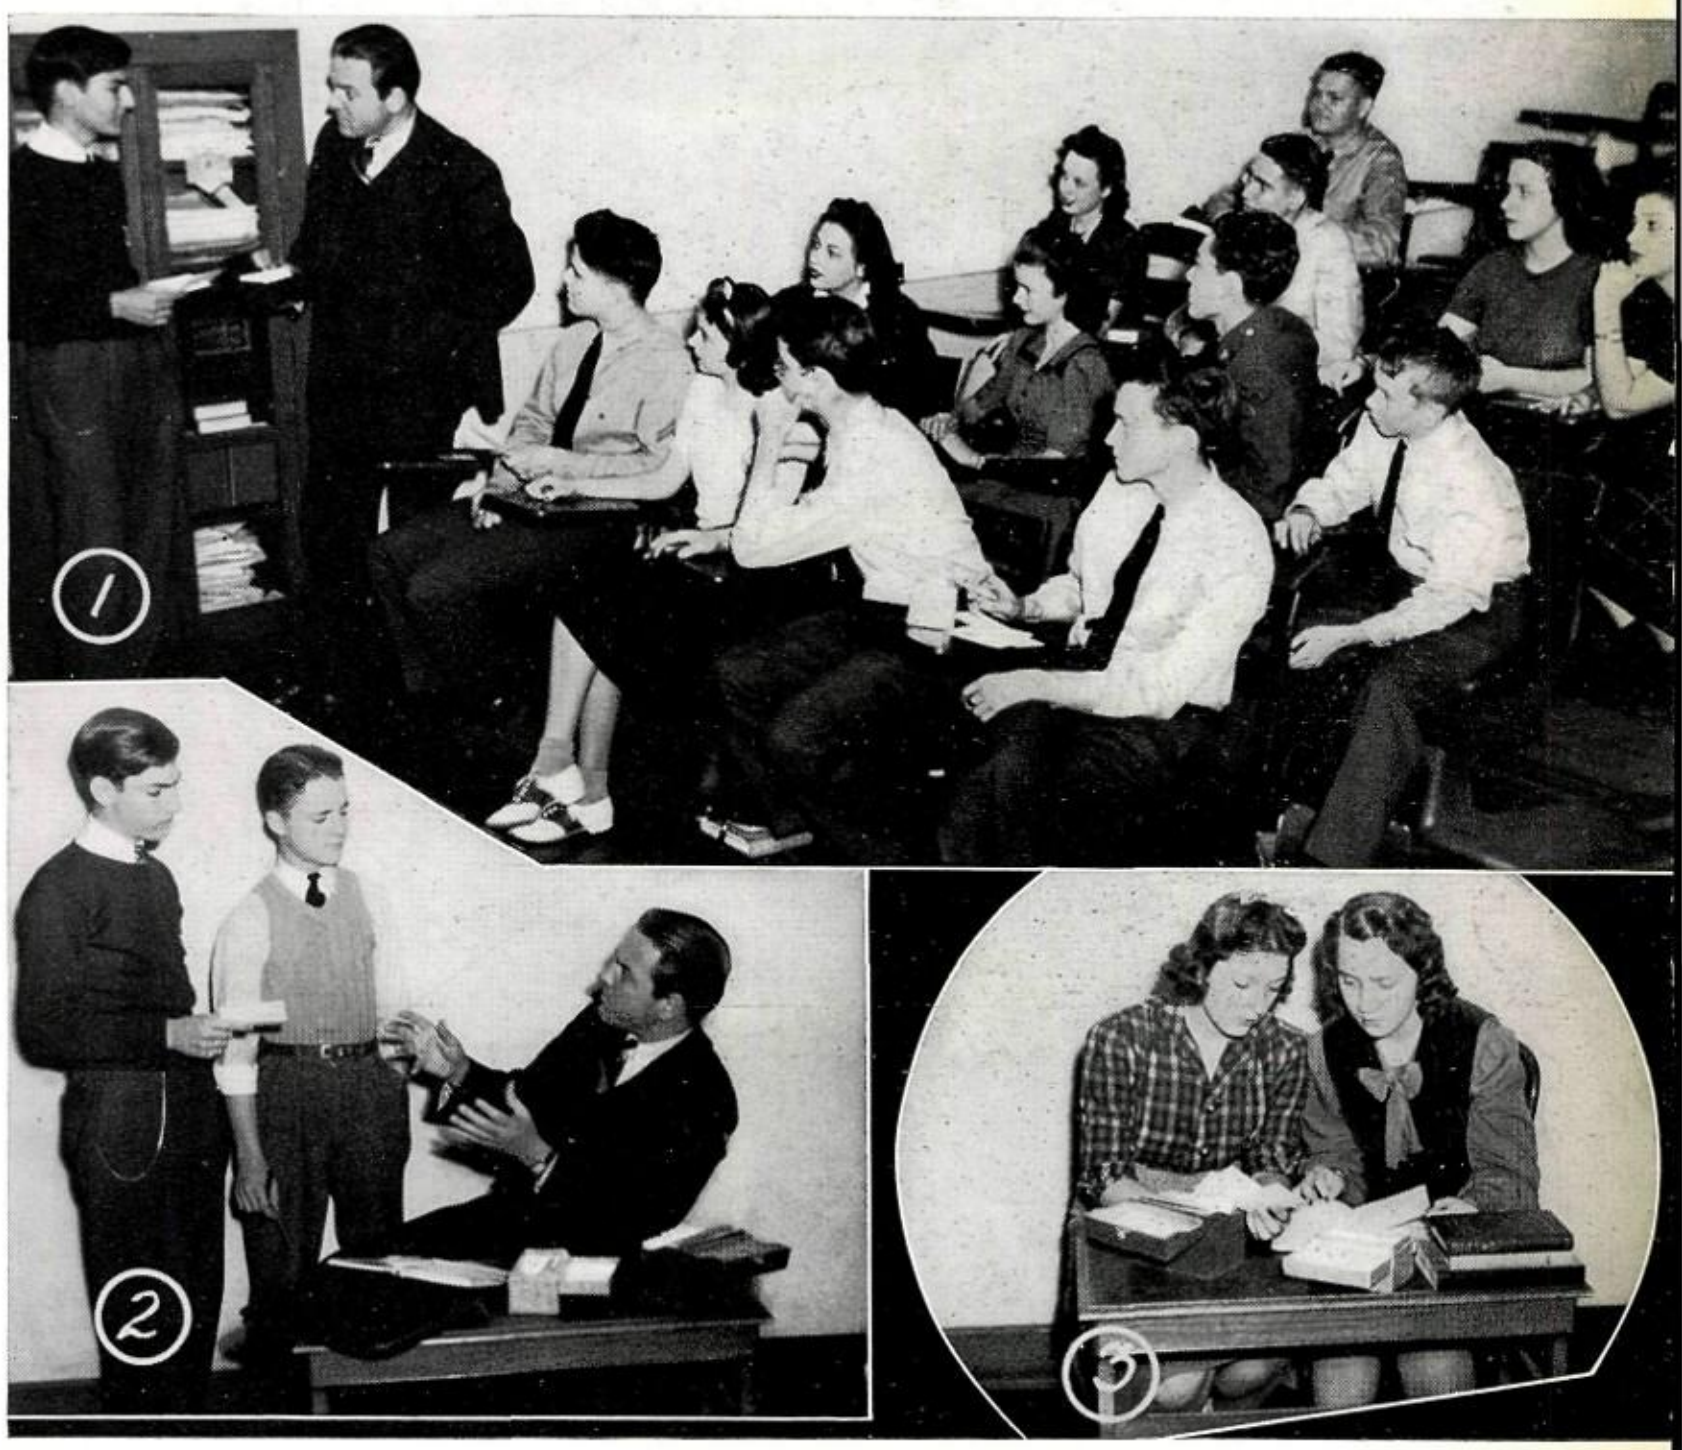
Debate: — Both boys' and girls' debate teams — under aspiring sponsorship of Mr. Hassell — tackle their topic — Resolved: that Texas Should Increase Tax On Natural Resources. Brilliant Aaron Seriff heads boys' team; June Bryan, girls' team. Urgent invitations to tournaments were received from the University of Texas, Baylor University, and S.W.S.T.C. in San Marcos; North Dallas, John Reagan, and Austin High School. Winning second place in the Yoakum tournament, our debaters enjoy the privilege of debating before the State Senate. Aaron and Jack win the Alamo Heights tournament and cup February 22. Still achieving, the boys' team wins the city championship for the third consecutive year. Trophies are won by Aaron Seriff for best boy speaker, Rosemary Dobbs for best girl speaker, and Jack Langley for best first-year speaker.

Declamation: — Miss Orrell's declaimers also come through with flying colors. "There Was a Man," given by Margery Hayes, wins the city championship. W. G. Waldeck, Hull Youngblood, and Bill Eads also represent Jefferson.

Extemporaneous Speaking: — Aaron Seriff, "wizard of words," walks off with first place in city, district, and region in the American Legion oratorical contest, winning second in the state. His speech will be used in competition for a $4,000 prize in the nation. Jack wins a gold medal in the Optimists' contest for his original speech, "Optimism as a Philosophy."



(1) Sitting on the edge of their chairs, debaters wait their chance to debate with Mr. Hassell, who can really develop Patrick Henrys. (2) Coach Hassell gives Jack and Aaron final instructions on their debate. (3) June and Rosemary "put their heads together" on some tough opposition.

Nolan's Speech

For your Country, boy, and for that Flag, never dream a dream, but of serving her as she bids you, though the service carry you through a thousand terrors. No matter what happens to you, no matter who flatters you or who abuses you, never look at another flag, never let a night pass but you pray God to bless that Flag. Remember, boy, that behind all these men you have to deal with, behind officers, and government, and people even, there is the Country Herself, your Country, and that you belong to Her as you belong to your own mother. Stand by Her, boy, as you would stand by your mother.

This is an extract from "The Man Without a Country," written by Edward Everett Hale.

In Cadence! Command!

One, Two, Three, Four --- Cheers for Jefferson's Athletics

A Song Of Our Flag

Your Flag and my Flag!
And, oh, how much it holds—
Your land and my land—
Secure within its folds!
Your heart and my heart
Beat quicker at the sight;
Sun-kissed and wind tossed,
Red and blue and white.
The one Flag — the great Flag—
The Flag for me and you—
Glorified all else beside—
the red and white and blue!

Your Flag and my Flag!
To every star and stripe
The drums beat as hearts beat
And fifers shrilly pipe!
Your Flag and my Flag —
A blessing in the sky;
Your hope and my hope—
It never hid a lie!
Home land and far land
and half the world around,
Old Glory hears our glad salute
and ripples to the sound!

September 20: — The mighty Buccaneers of Corpus Christi defeated the Jefferson Mustangs 14-0 in the initial game of the season, the dedication game of the new Alamo Stadium. **September 28:** — First out-of-town game — Jefferson's Mustangs tied 6-6 with Stephen F. Austin in Houston. **October 3:** — The Laredo Tigers were trampled by our Mustangs 18-0 in the first district game to be played in Alamo Stadium. **October 11:** — The McAllen Bulldogs squelched the fighting Mustangs 27-6. Booth and Moffett starred for the Mustangs. **October 18:** — The shining Austin Maroons stampeded the Jefferson Mustangs 21-0. Played in Austin, it was our first district defeat. **October 26:**—Our Mustangs "war-painted" the Harlandale Indians 12-6. It was our second district win at Alamo Stadium. First downs were Jefferson 7-Harlandale 0. **November 2:** — The Mustangs pounded down the Tech Buffaloes 20-12 at a night game. With this victory, Jefferson won the Northside championship.

November 8: — With the rain making the teams barely distinguishable, the Tivy Antlers almost missed the glory of a 6-0 win over the Mustangs. **November 16:** — The Jefferson Mustangs walked away with the appalling score of 47-6 over the famous Orange Tigers in an exciting game at Alamo Stadium. **November 21:** — Plenty of turkey to keep us happy and an invigorating afternoon made the Thanksgiving game a wonderful affair even though the Eagles led by the slight margin of 7-0 from the third quarter to the finish. With patriotism being the main theme of the marching, music, and drills at the half, and with the Mustangs outplaying, outgaining, outfighting, and generally ruining the Brackenridge defenses but not outscoring the Eagles, the game at Alamo Stadium proved one of the most exciting games of the season. Brackenridge was thankful for the win after that game.

Jefferson started the season of '41 with only two lettermen reporting for practice — Eugene Stocking, dashman, and Rufus Baird, high jumper.

Newcomers from the San Antonio junior schools swelled the ranks to about eighty-eight during the first week of practice. Led by Stocking and Baird, the team developed into a formidable aggregation as the season progressed.

The first meet for the Mustangs was the Border Olympics in Laredo. Eight boys made the trip and won the meet, making it the sixth victory for Jefferson out of nine years of competition along the Rio Grande.

Jefferson won the Alamo Heights invitation meet the following week, setting two records. Charles Parker ran the Century in ten seconds flat; then he teamed with Henry Brooks, Eugene Stocking, and Dean Jordan to hang up a new record in the 440 yard relay. This same relay team set a new record in the Alamo Stadium invitation meet the following week.

Led by Eugene Stocking and Rufus Baird, Jefferson defeated Brackenridge, Tech, Lanier, and Burbank in the finals of the city meet by taking eight first places and numerous

seconds, thirds, and fourths. The 440 yard relay team of Henry Brooks, Bill Eagle, Dean Jordan, and Charles Parker set another record that night.

The Ponies' 440 yard relay team of Henry Brooks, Eugene Stocking, Paul Creamer and Charles Parker is ranked among the best in the state this season.

Building a team around the seasoned seniors, Coach Burnett has a number of sophomores and juniors that will bear watching in the years to come on the cinder oval. Leaders among this group are Charles Parker, Dean Jordan, Henry Brooks, and Daniel Benke in the dashes; Murray Bradford, Alan Sparkman, and Jerry Simmang in the distance runs; Benny Fuller and H. J. Geiss in the hurdles; Stephen Berchelmann, Bernell Gentle, and Bill Eagle in the high jump and broad jump; and Val Adams, Eric Schwope, and Frank Novak in the pole vault and shot put. Eugene Stocking is the outstanding runner on the team, competing in the 100 yard dash and 440 yard dash, also running on the two relay teams in almost every meet.

Jefferson has won the city title eight out of nine years.

On the ground or on the hardwood floor our Mustangs really know how to set those fetlocks squarely on the road toward glory. They may not win every game in regard to scores, but we know that they've won in the light of true sportsmanship and clock-work precision. **January 7**—Not a big gain, but the Mustangs started the basketball season with a bang when they beat the plucky Burbank Bulldogs. The game was close, but 32-30 shows that the Jefferson team started with a winning set-up. **January 10** — The next game was another win for the team, as they beat San Antonio Tech 54-32. They beat them as well "through the basket" as they did "through the goal posts." **January 11** — Maybe it's be-

cause the first string didn't play very much in Robstown that the team came back with a slightly dejected look; the reason, score 25-37 in favor of Robstown. **January 14** — Back in San Antonio, the Mustangs agitated the Lanier Voks by beating them 29-20. A quick game was played by the Nags. **January 17** — Wings drooping to the ground, the Eagles went back to Brackenridge with a big loss when the Mustangs beat the birds 31-23. The lead was with Jeff from the opening gun. **January 18** — The out-of-town trips don't seem to agree so well with our Ponies because the Austin Maroons beat the Jefferson team in Austin, 44-59. **January 22** — Even in a pinch the Mustangs came through with a score of 35-33, when Jeff beat the Central Buttons in a practice game. **January 24** — The Jeff gym was the scene when we whipped the Tech Buffs 39-35. This game put us far in the lead for the city championship. **January 27** — "In the neck" might be a fitting expression for this game because the Nags really did take the Burbank Bulldogs by the neck to the tune of 48-17. **January 29** — A tie! But the decisive point went to Lanier 35-34 in an overtime game. **January 31** — The Harlandale Indians were massacred by the Mustangs with the appalling score of 62-19! **February 3**— The Mustangs slipped from the driver's seat in the city series by losing to the Eagles of Brackenridge 15-31. **February 5** — Burbank lost her final chance to whip Jefferson when she lost, 45-15. **February 7** — The Mustang and Buffalo herds clashed; Jeff won 30-24. **February 11** — Lightness of foot and straight shootin brought the Mustangs ahead of the Lanier Voks by a score of 40-30. **February 12** — With a 34-32 count the Austin Maroons barely got by our Mustangs. **February 17** — Jefferson took the city championship once again when they trampled the Brackenridge Eagles 38-29. The game was fast and furious as the Mustangs out-shot, out-passed, out-ran, and generally out-played the Eagles. **February 21** — The Mustangs beat Sutherland Springs by the huge score of 63-18. **February 22** — The District Championship went to the Jefferson Mustangs when they beat Tivy 55-28. **February 28** — With the San Marcos Rattlers holding a score of 42 and Jefferson a score of 30 in the regional conference game, we'll end our story of all the hard-hitting and straight-shooting plays of our Mustangs, who know how to dribble that old basketball.

The boys' tennis story starts with April 9 of last year, John Hickman winning over Tommy Arnold of Tech 6-0, 6-0, 6-0 in singles. In the doubles Jack Urlrick and Billy Hamilton won over Tech 6-1, 6-0, 6-0 to take the city championship. On April 20, John Hickman won over Charles Murray of Pearsall to recapture the singles title, 6-1, 6-1, 6-1. Billy Hamilton and Jack Urlrick overcame Alex Galloway and Willie Sneed of Pearsall 6-2, 6-2, 6-1, 8-6. On May 4, John Hickman was outlasted in the final round by Walter Driver of El Paso, 6-4, 6-3, 2-6, 3-6, 6-4. Jack Urlrick and Billy Hamilton fell in the doubles finals 2-6, 4-6, 1-6 at the hands of Lovelace and Whaley of Corpus Christi.

This spring's schedule calls for singles and doubles at Woodlawn Island Courts on April 1, 3, and 8; District meet at Jefferson, April 11-12; Regional Meet at San Marcos, April 19; and State Meet at Austin, May 2-3.

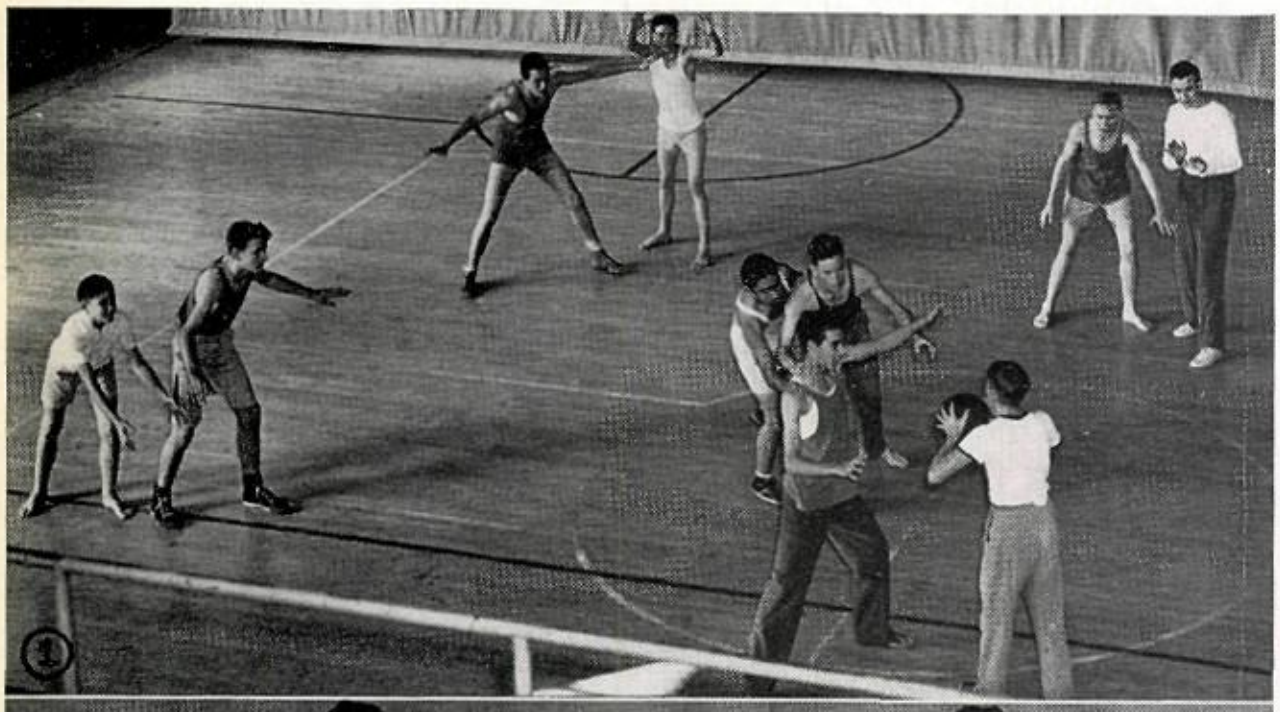
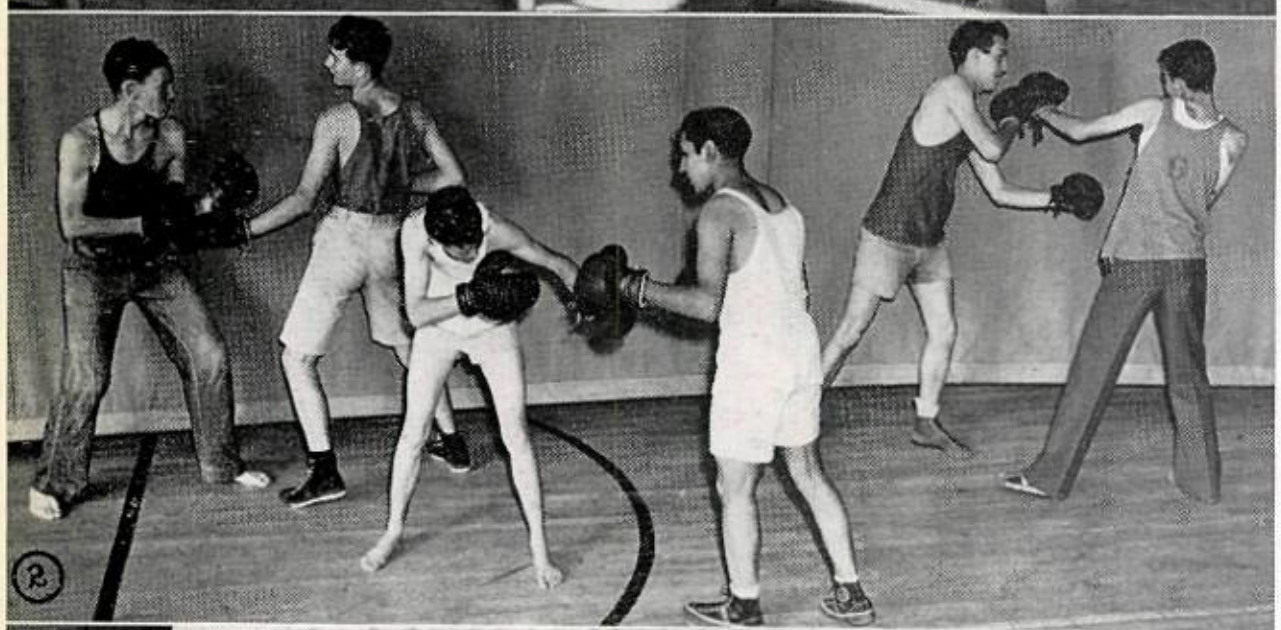
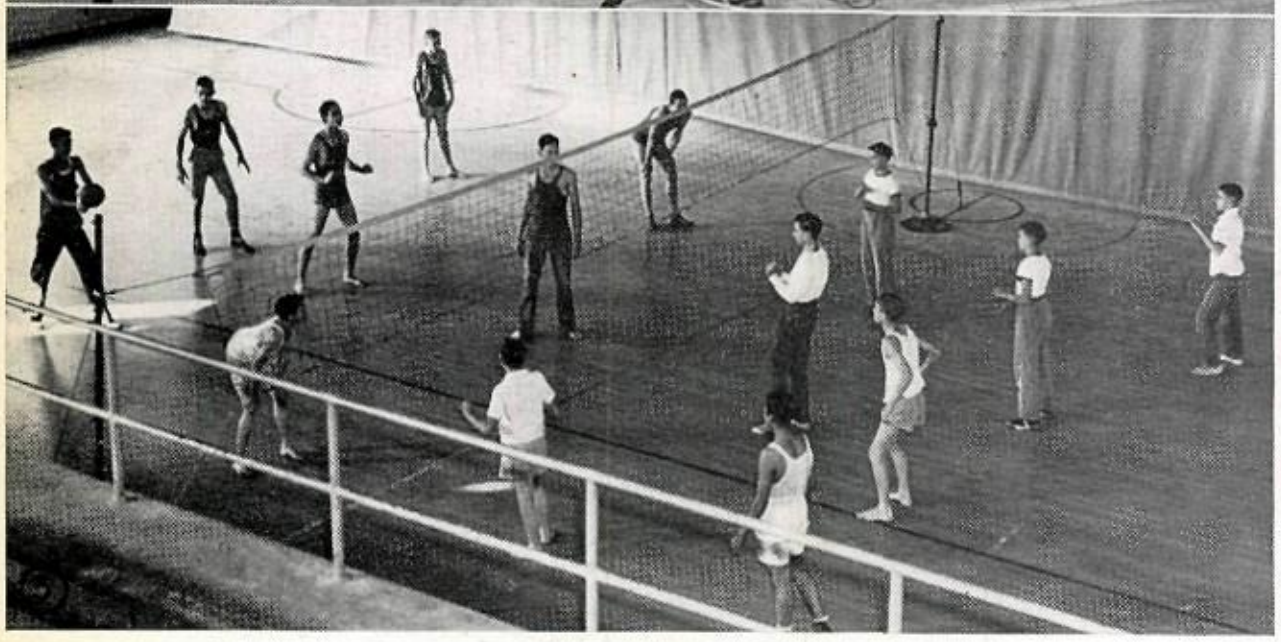
The Golf Team has always been a credit to the school. For the past several years the boys have impressed San Antonio with their fairness of play and their personalities. They have annexed many championships and loom as the best high school team in the state this year. The first three men are Stanley Callahan, Hugh Black Dahlberg, and George Hendrix, who are always battling for individual honor of No. 1 man, along with Max Garrett and John Bob Payne. The second team is no pushover; it consists of Ham Dietzmann, Bruce Meador, Albert Marucheau, Irving Garfinkle, Kenneth Thomson, and Bruce Albert. The team has played matches with Alamo Heights twice and Kerrville once, defeating both teams by overwhelming margins. In the last match with Alamo Heights at Brackenridge Stanley Callahan and Hugh Black Dahlberg combined to have a low ball of 63, eight under par, Stan having an individual 69 and Hugh Black a 73. This year the team plans to play tournaments at Kerrville; Luling, where they were second last year; Cuero; Lockhart; Seguin; and San Antonio, which they easily won last year. The team also plans to go to Dallas to play for the State High School Championship; there Stanley, Hugh Black, George, Max, and John Bob will all be threats for the individual championship. In Luling, John Bob was hit five times and ended up by going into a coma on the front lawn of the clubhouse. The other members of the team had more than their share of hard luck, but managed to finish second to the Austin team. This year it looks as if our golf team will win every tournament.

★ ★ ★ ★ Boys' Intramurals ★ ★ ★ ★







(1) In the health education classes there is nothing like a fast basketball game to develop mental alertness as well as physical well-being. (2) These fine Jeff boys, learning how to box, know that manly art of self defense is one of the best ways of playing their part in their country's program. (3) Teamwork! That is what it takes to get along in the world, and these boys are learning that as part of their game.

Boys' health education courses, enjoyed by twelve hundred boys, offer tennis, touch football, basketball, handball, tumbling, golf, boxing, and softball. The intramural story starts with late spring of 1940, ten intramural boxing champions having received letters. In May the Hayne Club with 1,000 percent won in intramural baseball. Other club scores were 400 for the Senate and 200 for the Jeffs. In the Health Education League, Health Ed 4A won with 800 per cent; Period 3 made 750; 4B, 250; Period 5, 333; Period 1, 250; Period 2, 000. In the R.O.T.C. League, Company "E" won with 750 percent; Companies "C," "A," and "G" made 666 each; Company "B," 400; Company "D," 250; Company "F," 000. Also in May the Hayne softball team won the school championship with a blanket score of 11-0; members of the team received their softball letters May 17. Norman Thomson and Arthur Howard of the Jeffs romped through the Club League to win the intramural tennis doubles; Bobby Rowland and Harold Reich took the Health Education League; and Kenneth Payton and Billie Burnet of Company "E" took the R.O.T.C. crown. In 1940-1941 the Haynes won the intramural basketball championship in December. Royal King and James McCann of the R.O.T.C. won the intramural tennis doubles championship by defeating Buddy Ballard and Arthur Howard of the Jeff Forum, who had won the club championship by defeating Burke and Doehne. Scores were 6-7, 5-7, 7-5. The Haynes became intramural champions in touch football; their last two victories were: Health Education with a score of 13-6 and Company "E."

Girls' Tennis ★

Our tennis story starts on April 9 of last year, Ethel Norton winning over Brackenridge's Ann Duffin 6-0, 6-0, 6-0 for girls' singles title. Eliminating the Tech girls, 6-3, 6-1, Peggy Dyer and Maxine Kuenstler beat Brackenridge 7-5, 4-6, 6-1. On April 20 at the regional meet in San Marcos Ethel Norton, now State Champion, retained her regional title by winning from Shelby Frizzell of Austin, 6-2, 6-1. On May 4 the famous Norton star again became the singles champ, winning over Katherine Jean of Donna, 7-5, 6-0. This year's tennis schedule is as follows: April 1, 3, and 8, Woodlawn Island, singles and doubles; April 11-12, Jefferson Courts, District meet; April 19, San Marcos, Regional meet; May 2-3, Austin, State meet.

This spring the girls' tennis team suffers the loss of Ethel Norton, the most outstanding young tennis player ever produced in Texas, holding a record that no other girl has ever attained, that of winning the State trophy for girls' singles two years in succession. With her goes our wish for her success. Peggy Dyer, a promising player of the doubles combination last year transferred to Alamo Heights. Our present hope lies in some army girls who will compete this year and will then be lost to Jeff by army transfers and graduation: Dorothy Taylor, Marcella Chestnutt, Patricia Murray, Donna Jean McBroom, and Louise Dechert. Although Mr. Hamilton has sung the "Blues" in the past, Miss Richards has picked up the strains now and is singing them loud and long.

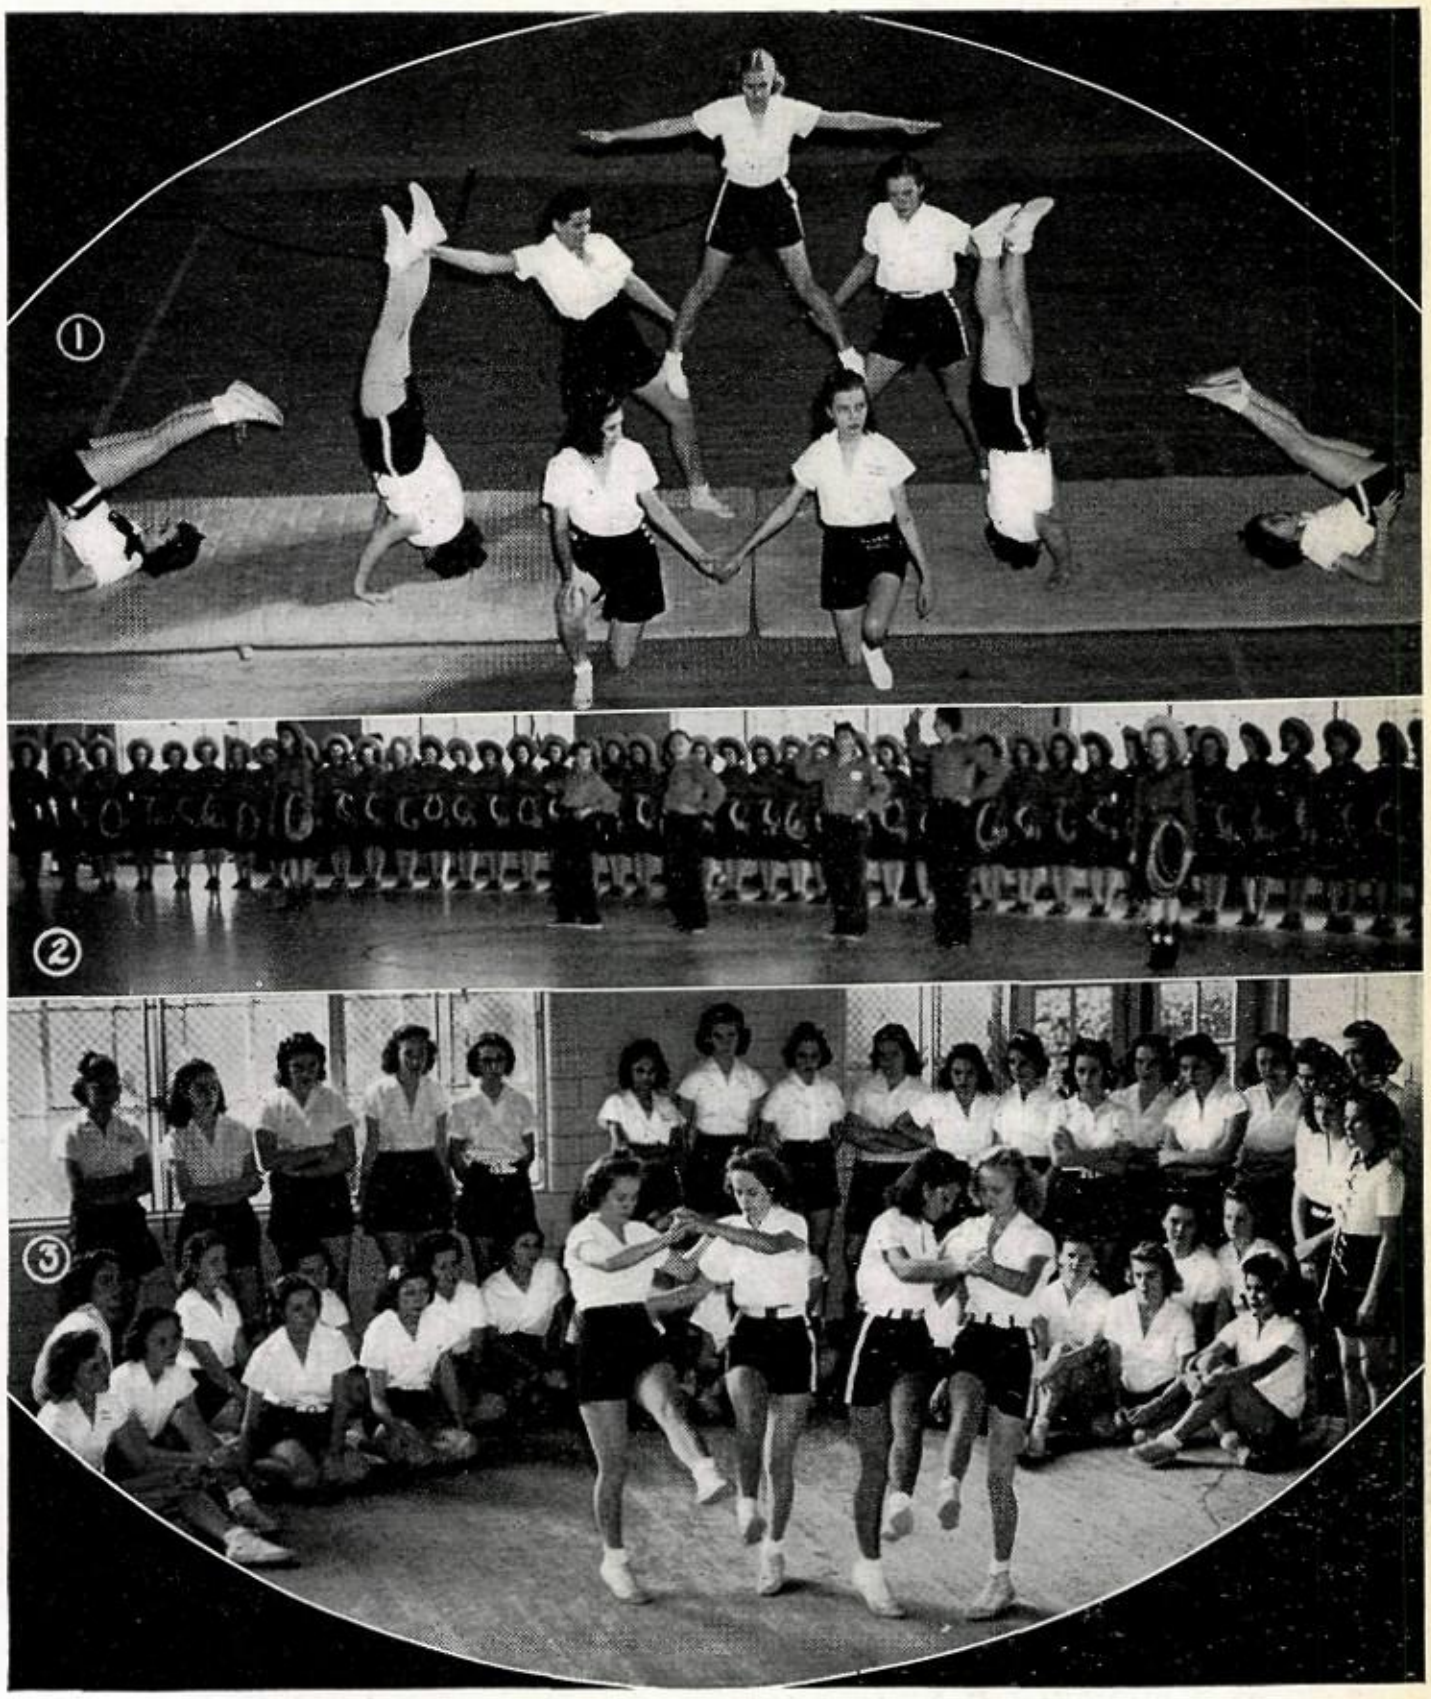
Opposite Top: — (1) Smiling from among her many trophies is Ethel Norton, State tennis champion and one of Jeff's two greatest trophy winners (you see, Betty Jameson, we haven't forgotten you and your golf). (2) Isabel reaches for a high one close to the net. (3) Girls in Miss Richards's tennis class are Jeff's potential tennis stars.

Opposite Lower: Girls' Tennis Team, left to right, Back Row: — Mary Alice Workman; Bettye Hagan; Dorothy Johnson; Mary Ellen Galvin; Dorothy Taylor; Donna Jean McBroom; Lucille Cook; Marcella Chestnutt. **Front Row:** — May Lee Ng; Patricia Murray; Marion Stowe; Barbara Ann Shaw; Jean McIlhenney; Janice Reed.



In the girls' gym the spotlight is turned to tumbling, volley ball, archery, riflery, golf, and tennis. Favorite occupations among the health education classes are folk dancing and dodge ball. Wet and cold days are often spent in perfecting the "Virginia Reel," "Put Your Little Foot," and "Polka." Cries of "Watch out!" and "You're hit!" are heard when girls "Dodge the Ball." The girls riflery class has gained renown by developing its accuracy to a point where some of the girls have qualified for National Rifle Association and may be awarded medals for their shooting. Most outstanding are the following girls listed as crack shots by Miss Bess Richards, gym teacher, in order of their proficiency: Virginia Blakely, Bonnie Sue Tippett, Frances Lyons, Virginia Carvel, Dorothy Rosen, Martha Rogers, and Margaret Rogers. Other sharpshooters are June Bryan, Rosemary Dobbs, Dorothy Thigpen, Salina Gentry, Dolores Driggers, Mary Jo Warren, Anne Harper, Helen Vendrine, Patricia Weaver, Mickie Moore, and Ayleen Herrman. Archery is one of the favorites of sunny weather along with golf and tennis. Volley ball holds everyone's attention when the elements drive the girls indoors. Good sportsmanship is always very much in evidence. Yes, it's no wonder Jefferson's girls enjoy intramural sports.

The American's Creed

This beautiful creed was written by
William Tyler Page in 1917.

"I believe in the United States of America as a government of the people, by the people, for the people; whose just powers are derived from the consent of the governed: a democracy in a republic; a sovereign nation of many sovereign states; a perfect union, one and inseparable; established upon those principles of freedom, equality, justice, and humanity for which American patriots sacrificed lives and fortunes.

"I therefore believe it is my duty to my country to love it; to support its constitution; to obey its laws; to respect its flag; and to defend it against all enemies."

Dismissed!

★ ★ ★ Our Advertising Friends ★ ★ ★

Fellow students, it is through the generous co-operation of our business friends and their firm belief that advertising in our Monticello is a fine business point that your annual has been made possible. Repay that fine spirit on their part. Shop with our advertisers. They are true friends of yours. Be their friends in return.

We salute you, Paul Walthall and Morris Stillman, not so much because you have won in the advertising contest, thus having your names engraved on the coveted cup, but because through your multitude of visits to our local business firms you have won so very many new business friends for Jefferson.

Because of this deep friendship between Youth and a Store, Joske's has grown steadily greater. It's now considered one of the most beautiful stores in America . . . like a whole city of shops under one roof — always waiting to please you, your family, your friends.

JOSKE'S and the Youth of Southwest Texas have long been "good companions". . . . For Joske's is more than just a store; it's a personality . . always hospitable, always ready to serve you through large stocks, newest fashions, and values that let you keep to your budget. Young folks like the warm friendliness of this store and you see them here often, buying with the confidence they place in a real friend.

Dear "Alica",

Without you my senior year would have been blathering (sounds good, anyway) No honestly, Mary alice, your just about the cutest girl in the Sophomore class you're always so full of fun and it seems like you never run out of personality. Everybody is crazy about you because you are so crazy. I'm so glad we got to be such good friends this year. you've been so successful in your Soph. year that in your Senior year you'll be super-colossally popular. Anyway, I know you'll always be the same sweet girl and just remember I love you. I won't say good-bye to you, cause we'll be seeing each other off & on so I'll just say "So-long".

Love,

Bets
